In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the Civic Affairs Committee – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. This report summarises the findings from the 2015/16 audit which is substantially complete. It includes messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit	<p>We have substantially completed our audit of the financial statements of Cambridge City Council for the year ended 2015/16. Subject to satisfactory completion of the following outstanding items/outstanding items included in Appendix A we will issue an audit opinion in the form which appears in Appendix D:</p> <p>Subject to the items listed in Appendix A we have performed the procedures outlined in our Audit Plan and anticipate issuing an unqualified opinion on the Authority's financial statements.</p> <p>We expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.</p> <p>We have performed the procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission. We had no issues to report.</p> <p>We expect to issue the audit certificate at the same time as the audit opinion.</p>
Audit differences	<p>There are no unadjusted audit differences.</p> <p>In collating evidence requested for an audit sample, management identified a difference which they corrected. This adjustment did not have an impact on the General Fund or Housing Revenue Account Reserves.</p>
Scope and materiality	<p>In our audit plan presented at the February Civic Affairs Committee meeting, we communicated that our audit procedures would be performed using a materiality of £2.39 million. We have reassessed this based on the actual results for the financial year and there has been no change to the materiality level we have applied.</p> <p>The threshold for reporting audit differences which impact the financial statements has also not changed. The basis of our assessment is 2% of gross operating expenditure, which has remained consistent with prior years.</p> <p>We carried out our work in accordance with our Audit Plan.</p>
Significant audit risks	<p>We identified the following audit risks during the planning phase of our audit, and reported these to you in our audit plan:</p> <ul style="list-style-type: none"> • Valuation and Impairment of Property Plant and Equipment • Pension Liability

-
- Risk of fraud in revenue recognition
 - Risk of management override

The 'addressing audit risks' section of this report sets out how we have gained audit assurance over those issues.

Other reporting issues We have no other matters we wish to report.

Control observations We have adopted a fully substantive approach and have therefore not tested the operation of controls.

We would like to take this opportunity to thank the Council's staff for their assistance during the course of our work.

2. Responsibilities and purpose of our work

The Council's responsibilities

The Council is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement (AGS). In the AGS, the Council reports publicly on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- Express an opinion on the 2015/16 financial statements and the consistency of other information published with them;
- Report on an exception basis on the Annual Governance Statement;
- Consider and report any matters that prevent us being satisfied that the Council had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the value for money conclusion); and
- Discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the Council's accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risks (including fraud risks)	Audit procedures performed	Assurance gained and issues arising
<p>Valuation and Impairment of Property, Plant and Equipment</p> <p>Property, Plant and Equipment (PPE) represent the largest asset values on the Council's balance sheet.</p> <p>Land and buildings are initially measured at cost and then revalued to fair value. Council dwellings are revalued annually whilst other land and buildings and investment property are revalued on a 5 year rolling basis.</p> <p>This is carried out by an external expert valuer and is based on a number of complex assumptions. Annually assets are assessed to identify whether there is any indication of impairment.</p> <p>ISAs (UK and Ireland) 500 and 540 require us to undertake procedures on the use of external experts and assumptions underlying fair value estimates.</p>	<p>We obtained an understanding of and evaluate key controls over the valuation of PPE.</p> <p>Where asset valuations were undertaken in-year we:</p> <ul style="list-style-type: none"> • agreed the source data used by your valuer to supporting records; • assessed the work of your valuer; and • agreed the outputs to your fixed asset register and statements <p>Where the Council proposes significant changes to valuation bases we will evaluate the rationale.</p> <p>Where assets are not revalued in-year, we will review the Council's impairment assessment and consideration of whether the carrying values of these assets remain appropriate.</p>	<p>Our planned procedures in relation to this risk are substantially complete, subject to review.</p> <p>There are no issues to report to the Committee.</p>
<p>Pension Liability</p> <p>The Council operates a defined benefits pension scheme. Accounting for this scheme involves significant estimation and judgement. The Pension liability is the largest balance on the balance sheet. Due to the nature, volume and size of the transactions we consider this to be a significant risk.</p>	<p>We obtained an understanding of and evaluated key controls over the valuation of the pension liability.</p> <p>We considered:</p> <ul style="list-style-type: none"> ▶ the expertise of the Actuary used by the Council; ▶ the reasonableness of the estimations and judgements used; and the completeness and accuracy of the data provided to the Actuary 	<p>Our planned procedures in relation to this risk are substantially complete, subject to review.</p> <p>There are no issues to report to the Committee.</p>

<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p>	<ul style="list-style-type: none"> • Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements • Reviewed accounting estimates for evidence of management bias; and • Evaluated the business rationale for any significant unusual transactions. • Reviewed capital expenditure on property, plant and equipment to ensure it meets the relevant accounting requirements to be capitalised. 	<p>Our planned procedures in relation to this risk are substantially complete, subject to review.</p> <p>There are no issues to report to the Committee.</p>
<p>Risk of fraud in revenue recognition</p> <p>Under ISA240 there is a presumed risk that revenue may be misstated due to improper recognition of revenue.</p> <p>In the public sector, this requirement is modified by Practice Note 10, issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.</p>	<ul style="list-style-type: none"> • Reviewed and tested revenue and expenditure recognition policies; • Reviewed and discussed with management any accounting estimates on revenue or expenditure recognition for evidence of bias; • Developed a testing strategy to test material revenue and expenditure streams; and • Reviewed and tested revenue cut-off at the period end date. 	<p>Our planned procedures in relation to this risk are substantially complete, subject to review.</p> <p>There are no issues to report to the Committee.</p>

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to you oversight of the Council’s financial reporting process, including the following:

- Qualitative aspects of your accounting practices; estimates and disclosures;
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;
- Any significant difficulties encountered during the audit; and
- Other audit matters of governance interest

At the start of the audit we requested a list of all contracts/agreements which the Council is party to. Officers were able to provide a contract register but noted that it was a couple of years out of date and that due to the amount of time it took to maintain and the difficulty of obtaining data from service areas it had fallen into misuse.

We understand that Officers are currently working on an alternative strategy for a new contracts register as part of the work under the procurement review aimed at setting up a virtual procurement shared service between Cambridge City Council, Huntingdonshire District Council and South Cambridgeshire District Council. We recommend that a contracts register is implemented and maintained in order that there is one central log of the contracts and agreements that the Council is committed to.

Control themes and observations

It is the responsibility of the Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

We are currently concluding our review of the Annual Governance Statement but expect to confirm that it is not misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council at the Civic Affairs Committee.

Request for written representations

We have requested a management representation letter to gain management's confirmation in relation to a number of matters, as outlined in Appendix E.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

We are currently concluding our work in this area and will report any matters that arise to the Civic Affairs Committee.

4. Value for money

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ Take informed decisions;
- ▶ Deploy resources in a sustainable manner; and
- ▶ Work with partners and other third parties.

In recent years the Council has responded well to the financial pressures arising from the recent economic downturn, and reductions in the level of central government funding to local government. These factors will continue to impact the Council's medium term financial strategy during the current and forthcoming financial years.

We reviewed the Council's 2016/17 Budget Setting Report for 2016/17. The Council has well established arrangements for reviewing its medium term financial plan which incorporates key assumptions and sensitivity review. The Council has a proven track record of achieving savings and achieving its budget. The General Fund balance at £16 million is well in excess of the Council's minimum level of £5.1 million, and there are earmarked reserves of £17.8 million. The Council is already developing plans for tackling the savings requirement of £3.5 million cumulative savings required over the period ending 2020/21.

On the basis of the work undertaken we have concluded that the Council has arrangements in place for deploying resources in a sustainable manner.

Overall conclusion

Our overall conclusion is still subject to final review however; we have performed the procedures outlined in our audit plan and we have not identified any significant risks or weaknesses in relation to these criteria in our work to date.

We therefore expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.

Appendix D – Draft audit report

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF CAMBRIDGE CITY COUNCIL

Opinion on the Authority’s financial statements

We have audited the financial statements of Cambridge City Council for the year ended 31 March 2016 under the Local Audit and Accountability Act 2014. The financial statements comprise the:

- Movement in Reserves Statement,
- Comprehensive Income and Expenditure Statement,
- Balance Sheet,
- Cash Flow Statement,
- Notes to the main financial statements 1 to 44
- Housing Revenue Account Income and Expenditure Account, Statement of Movement on the Housing Revenue Account Balance, and related notes 1 to 10,
- Collection Fund and related notes 1 to 7, and
- Statement of Accounting Policies

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the members of Cambridge City Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority’s members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Chief Financial Officer and auditor

As explained more fully in the Statement of the Chief Financial Officer Responsibilities set out on page xv, the Chief Financial Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board’s Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority’s circumstances and have been consistently applied and adequately

disclosed; the reasonableness of significant accounting estimates made by the Chief Financial Officer; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Statement of Accounts 2015/16 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of Cambridge City Council as at 31 March 2016 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

Opinion on other matters

In our opinion, the information given in the Statement of Accounts 2015/16 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Conclusion on Cambridge City Council’s arrangements for securing economy, efficiency and effectiveness in the use of resources

Authority’s responsibilities

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor’s responsibilities

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority’s arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether the Council had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether the Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, Cambridge City Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

Certificate

We certify that we have completed the audit of the accounts of Cambridge City Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
