REPRESENTATIONS ON PLANNING APPLICATIONS

Public representations on a planning application should be made in writing (by e-mail or letter, in both cases stating your full postal address), within the deadline set for comments on that application. You are therefore strongly urged to submit your representations within this deadline.

Submission of late information after the officer's report has been published is to be avoided. A written representation submitted to the Environment and Planning Department by a member of the public after publication of the officer's report will only be considered if it is from someone who has already made written representations in time for inclusion within the officer's report. Any public representation received by the Department after 12 noon two business days before the relevant Committee meeting (e.g. by 12.00 noon on Monday before a Wednesday meeting; by 12.00 noon on Tuesday before a Thursday meeting) will not be considered.

The same deadline will also apply to the receipt by the Department of additional information submitted by an applicant or an agent in connection with the relevant item on the Committee agenda (including letters, e-mails, reports, drawings and all other visual material), unless specifically requested by planning officers to help decision-making.

At the meeting public speakers at Committee will not be allowed to circulate any additional written information to their speaking notes or any other drawings or other visual material in support of their case that has not been verified by officers and that is not already on public file.

To all members of the Public

Any comments that you want to make about the way the Council is running Area Committees are very welcome. Please contact the Committee Manager listed at the top of this agenda or complete the forms supplied at the meeting.

Cambridge Community Safety Partnership Plan 2011-2014 – Priorities

1. Executive Summary

Cambridge Community Safety Partnership is currently consulting on new priorities following the production of a detailed public survey and Strategic Assessment of crime, disorder and anti-social behaviour across the City. These priorities will guide the work of the partnership over the coming three-year period from 2011-2014 although the plan will be refreshed annually to ensure it reflects the needs of the community.

2. Recommendations

The Area Committee is asked to consider the priorities listed below and to advise the Cambridge Community Safety Partnership on the **three** priorities that they consider the Partnership should focus their resources on for the next financial year.

3. Background

Cambridge Community Safety Partnership is currently consulting on new priorities following the production of a detailed public survey and Strategic Assessment of crime, disorder and anti-social behaviour across the City. These priorities will guide the work of the partnership over the coming three-year period from 2011-2014, although the plan will be refreshed annually to ensure it reflects the needs of the community. The draft priorities are to:

- Reduce Alcohol Related Violent Crime in the City Centre
- Reduce repeat victims of Domestic Violence
- Reduce cycle theft
- Reducing re-offending
- Reduce repeat incidents of Anti-social Behaviour

The Cambridge Community Safety Partnership is asking the public to help in deciding which THREE priorities, from the list of five above, it should focus its resources on over the next financial year.

Liz Bisset, Director of Community Services, Cambridge City Council, will be present at the meeting to lead the discussion and to explain what it means for the Community Safety Partnership to adopt an issue as a priority. She will also give assurance that non-prioritised issues will continue to feature in the core working of each of the partnership organisations.

Members of the public can also let us know their top three priorities by filling in the postcards available and returning them to a Council representative or, using our reply paid service. Alternatively, they can register their selection on-line at: www.cambridge.gov.uk. The deadline for responses is 23 December 2010
