

Exhibition

Charles Kitchin from CityFibre will have a small display from 5.30pm to discuss with residents what work is planned in the North Area and answer any questions.

- Over the next two years CityFibre will be investing £20 million in Cambridge, installing a city wide Fibre To The Home superfast broadband network.
- Some of the first areas that will benefit from this investment are in North Cambridge - Arbury, King's Hedges and Chesterton.
