

Public Questions received for WCAC -16/11/23

1. What is being done to enforce the law regarding the use of privately owned (non Voi) powered scooters on roads, pavements and public spaces in Cambridge? I understand that limited resources are stretched and wonder if some traffic wardens/community safety staff could be deployed to help with this?

Received from Cambridge Riverside (Midsummer Common) Residents' Association

2. Is there any control over the increased use of mopeds and powered bicycles being driven across Jesus Green, Midsummer and Stourbridge Commons by Just Eat, Deliveroo and Uber Eats?

Received from Cambridge Riverside (Midsummer Common) Residents' Association

3. Can the current situation at the proximal end of Gresham Road leading to Parkers Piece be given priority attention? This involves ASB and criminal behaviour and intimidation.
 - drug dealing on footpath day and night.
 - drug usage on the footpath day and night leaving potentially dangerous debris to be picked up by residents.
 - extensive Graffiti on private property - ground level and at high level (due to height is not removed by local council department) - currently classed as criminal damage.
 - groups of youths with face coverings gathering and disturbing residents late in evening with shouting/ banging on doors/throwing glass bottles at garden/house walls
