

## AMENDMENT TO ENVIRONMENTAL CONSIDERATION OF THE HACKNEY CARRIAGE AND PRIVATE HIRE TAXI POLICY

### Amendment to the report

To replace this paragraph

3.18 Also by the 17<sup>th</sup> May 2024, a petition was received. The petition was signed by 177 taxi drivers, who strongly oppose the decision to extend the June 2024 deadline for standard hybrid vehicles due to the financial implications on drivers and their families. A copy of the petition is attached to this report as Appendix E.

With this paragraph (additional wording in bold and underlined)

3.18 Also by the 17<sup>th</sup> May 2024, a petition was received. The petition was signed by 177 taxi drivers, who strongly oppose the decision “**not** to extend the June 2024” deadline for standard hybrid vehicles due to the financial implications on drivers and their families. A copy of the petition is attached to this report as Appendix E.
