

List of Public Questions for 16 January Environment and Community Scrutiny Committee

Question 1: Public Questions - Agenda Item 4 – Antony Carpen

The Coleridge Dragon will be ten years old this year. Please can it have a clean up, and please could councillors consider whether we could have some sort of celebration - perhaps as part of the Music in the Park series this summer, and combine it with community outreach similar to what Romsey Rec had last year with community groups holding stalls, and possibly with the city council having display boards on big future projects that will affect our part of the city.
