

Agenda Item 19

	Cllr Hauk	Cab Member for Open Spaces & City Services	To the Executive Councillor for Community Safety, Homelessness and Wellbeing: What specific actions is Cambridge City Council taking this summer to protect vulnerable residents from the health risks of extreme heat and potential heatwaves?
	Cllr Lokhmotova	Cab Member for Climate Action & Environment	Can the Executive Councillor for Climate Action and Environment please provide an update on where our blue bins waste currently goes?

The above questions were submitted to the Council before the deadline, however were missed off the list so have been included as an additional sheet.
