TERRACE, TRUMPINGTON (Pages 1 - 2)**

Representations on Planning Applications

Public representations on a planning application should be made in writing (by e-mail or letter, in both cases stating your full postal address), within the deadline set for comments on that application. You are therefore strongly urged to submit your representations within this deadline.

The submission of late information after the officer's report has been published is to be avoided.

A written representation submitted to the Environment and Planning Department by a member of the public after publication of the officer's report will only be considered if it is from someone who has already made written representations in time for inclusion within the officer's report. Any public representation received by the Department after 12 noon two business days before the relevant Committee meeting (e.g. by 12.00 noon on Monday before a Wednesday meeting; by 12.00 noon on Tuesday before a Thursday meeting) will not be considered.

The same deadline will also apply to the receipt by the Department of additional information submitted by an applicant or an agent in connection with the relevant item on the Committee agenda (including letters, e-mails, reports, drawings and all other visual material), unless specifically requested by planning officers to help decision-making.

At the meeting public speakers at Committee will not be allowed to circulate any additional written information to their speaking notes or any other drawings or other visual material in support of their case that has not been verified by officers and that is not already on public file.

Public Attendance at Meetings

The Public is welcome to attend meetings as an observer, although it may be necessary to ask them to leave the room during the discussion of matters described as confidential on the agenda.

Filming, recording and photography at council meetings is allowed subject to certain restrictions and prior agreement from the chair of the meeting.

Requests to film, record or photograph, whether from a media organisation or a member of the public, must be made to the democratic services manager at least three working days before the meeting.

Speaking at the Committee by Other Members of the Councils

A member of any of the councils who is not a member of the committee or a member of a parish council (in respect of applications relating to sites in their own parish) may speak at a meeting of the committee at the request or with the permission of

that committee or of its Chair made or obtained before the meeting. Such request or permission shall specify the matters in respect of which the member shall be permitted to speak;

Public Speaking

Members of the public who want to speak about an application on the agenda for this meeting may do so, if they have submitted a written representation within the consultation period relating to the application and notified the Committee Manager that they wish to speak by **12.00 noon on the day before** the meeting.
