## NORTH AREA COMMITTEE MEETING (PLANNING ITEMS)

22<sup>nd</sup> November 2012

### Amendment/De-brief Sheet

### PLANNING APPLICATIONS

CIRCULATION: First

ITEM: 1      APPLICATION REF: 12/0856/FUL

Location: 29-31 Harding Way

Target Date: 3 September 2012

To Note:

#### Additional representations

33 Harding Way  
35 Harding Way  
56 Harding Way  
60 Harding Way

The following comments are made:

- Any increase in traffic is of concern.
- The houses are aimed at student/singles rental market since the room sizes are too small for families.
- 10 bedrooms are on offer could mean 20 people living there, possibly many with cars.
- Cars will be parked outside the front of the terrace and along the road, causing obstruction to the residents drives on the south side of Harding Way.
- The proposed building is completely out of character with the area.
- If the buildings were really beyond economical repair a pair of family bungalows built on the site would be preferable, in keeping with the original plan.
- Four terrace-style houses would be quite out of character

The above comments are covered in the main report.

#### Further Amended plan

Minor Alteration to block plan showing slightly enlarged car parking spaces. I have attached the plan to the amendment sheet. The alteration is very minor

does not require formal consultation.
