Item 11: Environmental Data Report Amendment Sheet

EDR Page Number	Papers Page No	Amendment	Comments
6	40	Should read: Priority 3 The whole of Burrells Walk from Queens Road to Trinity Lane has been cleansed. This involved a team of two operatives and took approximately 8 hours to complete.	Revised text, incorrect figure and text previously included.
6	40	Note	Note for information: Priority 2: Windsor Road shops cleansing: although these are not within the Castle ward, they were requested to be cleansed by members at the area committee in January, and are included for information to illustrate that the request has been completed.
14	48	Note	Note for information: The needle removed from St Giles church, although just within the Arbury ward is included in the figures due to the close vicinity to the Castle boundary.
21	55	Note	Note for information: 222 Victoria Road is not within the Castle ward, but was visited by the dog warden as part of the ward blitz due to the close vicinity to the Castle boundary. It was also visited as part of the Arbury ward blitz as well.
21	55	Removal of text: Sign cleaning at Brownlow Road	Incorrectly added to report.
