

WEST / CENTRAL AREA COMMITTEE ACTION SHEET: 05/03/15

ACTION	LEAD OFFICER/ MEMBER	TIMESCALE/ PROGRESS
<p>14/75/WCACS106 Priory-setting (3rd round) To remind the relevant officer that that approval to the grant application for King's College School had been subject to the community use agreement, which was to be agreed by WCAC Chair, Vice Chair and Spokes</p>	<p>Councillor Reid / Tim Wetherfield</p>	<p>Ian Ross is the lead officer on this project who has been reminded of the Committee's recommendations.</p> <p>There have been no further work on this agreement to date as there have not had any further correspondence from the School as they are now in the position of fundraising to get the outstanding funds in place to commence the project. When they are nearing their target figures there will be further discussions with them around the definitions of community use, types of groups and organisations we would expect to be able to access the new facility and the hours that will be provided for public access.</p>
<p>14/81/WCAC To ask when the road lines to be added on St Andrew's Street and Downing Street</p>	<p>Andy Fisher, County Council</p>	<p>Andy has confirmed that the lining was carried out week commencing 13 April 2015.</p>
<p>14/81/WCAC To raise the issue of signage showing direction of cycle flow or no entry on St John's Street, Trinity Street, Market Street, Sydney Street, Green Street and Petty Curry.</p> <p>To ask the Police if they can carry out enforcement on cyclists who are cycling through the city streets the wrong way or ignoring no entry signs.</p>	<p>Councillor Cearn / Andy Fisher, County Council</p>	<p>Andy has confirmed that he has spoken with the relevant officers but has advised that this is not a priority.</p> <p>Councillor Cearn to speak to the Police on this matter</p>

<p>14/82/WCAC Traffic Calming in Cambridge City To ask County Council officers what has happened to the proposal to reduce the volume of heavy goods vehicles through Kings Street.</p>	<p>Andy Fisher, County Council</p>	<p>The Local Projects Team at the County Council are planning on installing advisory signage on the corner of King Street/Manor Street, directing traffic to Jesus Lane instead of continuing along King Street. It is hoped that this should relieve the issue.</p> <p>The proposed signage is due to be programmed as part of a wider scheme in the area and should be installed in the coming months before the end of 2015.</p>
