

## **Strategy and Resources Scrutiny Committee**

**23 March 2015**

### **Report - Public Spaces Protection Order – Mill Road**

Amendment to the recommendation 2.1:

It is recommended that the wording of the Public Spaces Protection Order (Appendix A1) be amended as follows:

Where it refers to an 'authorised person' that this be changed to 'Police Community Support Officer'

and

It is also recommended that the draft signage (Appendix E) be simplified to take into account people whose first language is not English or who have difficulty reading, and that the simplified version is circulated to members of the committee before the signs are erected.

For Information

The questions that were asked in the survey were;

1. Do you think that the Public Spaces Protection Order should be introduced by Cambridge City Council to tackle anti-social street drinking in Mill Road Cemetery, Petersfield Green and the front garden of Ditchburn Place?
2. Do you have any comments or evidence to provide with regards anti-social street drinking in these areas? A free text box was provided for the answer.
