AGENDA

Councillor attendance

Whilst any subsequent planning application relating to this site will be determined by the Planning Committee, all Councillors are invited to attend and take part in this pre-application developer presentation.

Purpose of the meeting

These meetings allow developers an early opportunity to present proposals for future planning applications to elected members of the Council.

The process allows Councillors to feed into the process at an early stage and raise any questions or concerns that can then be addressed by the developer prior to a formal planning application being submitted.

Whilst the meetings will be held in public, they do not form part of the formal decision making process. All planning applications will be determined in line with formal processes as adopted by Cambridge City Council.

Format of the Meeting

For each Briefing:

- Introduction by the Head of Planning Services or a Principal / Senior Planning Officer – up to 10 minutes
- Presentation by the developer of the proposal – up to 30 minutes

- Opportunity for Members to ask questions, raise issues, seek clarification, comment on the apparent positive and less positive aspects of the proposal – up to 40 minutes

During this part of the meeting it is important that Councillors who may ultimately make the decision on any subsequent planning application do not feel unduly constrained by what they can ask or raise. However they should avoid expressing views that might give any appearance that they are approaching the proposal with a closed mind. The discussion should not be used for negotiations with the developer. These should take place with officers separately from the meeting. Members of the public must refrain from entering into the discussion at the meeting.

- Summing up – up to 10 minutes

A Planning Department representative will take notes of the meeting, which will be a summary of the proceedings. Nothing said by Councillors at the meeting will in any way be binding on the Committee that subsequently determines the application. The notes will be uploaded to the City Council's website upon completion.

3 PRE-APPLICATION BRIEFING BY THE DEVELOPER -Anglia Ruskin University, East Road Campus: Proposed new science building and master planning update

Approx: 10:00 am – 11:30 am

Anglia Ruskin has embarked on a major programme of modernisation of its facilities in Cambridge since the approval of the campus masterplan in 2009. The first stage of Campus redevelopment was completed on 2011 with the opening of the Michael Ashcroft building, and in 2014 the first phase of the School of Health and Social Care will open at Young Street, and the next phase of that development will commence. Anglia Ruskin is now seeking to bring forward the next stage of redevelopment on the campus involving a new science building. Anglia Ruskin has also been looking again at the campus masterplan in the light of changing educational priorities and the Local Plan. The presentation will update Members on progress to date in terms of delivering enhanced and modernised facilities at Cambridge, the next proposed stages in the redevelopment, and the potential for future development around the campus.
