Under Section 100D of the Local Government Act 1972, the following are “background papers” for each of the above reports on planning applications:

1. The planning application and plans;
2. Any explanatory or accompanying letter or document from the applicant;
3. Comments of Council departments on the application;
4. Comments or representations by third parties on the application as referred to in the report plus any additional comments received before the meeting at which the application is considered; unless (in each case) the document discloses “exempt or confidential information”

These papers may be inspected by contacting Head of Planning Services (01223 457103) in the Planning Department.

**Development
Control
Forum** Meetings of the Development Control Forum are scheduled for a week after the meetings of Planning Committee if required

**Public
Participation** Some meetings may have parts, which will be closed to the public, but the reasons for excluding the press and public will be given.

Members of the public who want to speak about an

application on the agenda for this meeting may do so, if they have submitted a written representation within the consultation period relating to the application and notified the Committee Manager that they wish to speak by **12.00 noon on the day before** the meeting.

Public speakers will not be allowed to circulate any additional written information to their speaking notes or any other drawings or other visual material in support of their case that has not been verified by officers and that is not already on public file.

For further information on speaking at committee please contact Democratic Services on 01223 457013 or democratic.services@cambridge.gov.uk.

Representations on Planning Applications

Public representations on a planning application should be made in writing (by e-mail or letter, in both cases stating your full postal address), within the deadline set for comments on that application. You are therefore strongly urged to submit your representations within this deadline.

The submission of late information after the officer's report has been published is to be avoided.

A written representation submitted to the Environment Department by a member of the public after publication of the officer's report will only be considered if it is from someone who has already made written representations in time for inclusion within the officer's report. Any public

representation received by the Department after 12 noon two business days before the relevant Committee meeting (e.g by 12.00 noon on Monday before a Wednesday meeting; by 12.00 noon on Tuesday before a Thursday meeting) will not be considered.

The same deadline will also apply to the receipt by the Department of additional information submitted by an applicant or an agent in connection with the relevant item on the Committee agenda (including letters, e-mails, reports, drawings and all other visual material), unless specifically requested by planning officers to help decision-making.

**Filming,
recording

The Council is committed to being open and transparent in the way it conducts its decision making. The public may record (e.g. film, audio, tweet, blog) meetings which are open to the public.
