### Agenda

#### CLT EAST

“Cambridge City Council has teamed up with South Cambs District Council on an initiative to give communities more control in providing affordable homes for local people.

Following the award of grant funding from central government, the community-led housing project enables groups and individuals to find out more about community-led housing and access free technical support and guidance. What’s more, for groups that decide community-led housing is the way forward there is grant funding available to really get projects off the ground.
