### Text of Petition:

Local councillors, members of the Hills Road and Area Residents Association and the Queen Edith's Way Residents Association, and many residents across the city of Cambridge are concerned about the proposal to demolish the fine Edwardian home at 291 Hills Road and replace it with a block of 14 flats. The number of objections (203 at the latest count) made by residents illustrates the strength of feeling on the issue.

Residents and councillors have identified many respects in which this application is in conflict with the Cambridge Local Plan 2006 (CLP 2006), including the following:

- There is no case for demolishing the property (policy 5/4 of CLP 2006)
- The plans do not safeguard environmental character (policy 3/3 of CLP 2006)
- The application does not respond to the local context (policy 3/4 of CLP 2006)
- Cramped living accommodation (policy 3/7 of CLP 2006)
- The development would have a significant adverse impact on the amenities of neighbouring properties, provide inadequate amenity space, detract from the prevailing character and appearance of the area, and adversely affect trees (policy 3/10 of CLP 2006)
- A negative impact on the local setting (policy 3/12 of CLP 2006)
- Damage to trees (policy 4/4 of CLP 2006)
- Adverse effects on health and the environment (policy 4/13 of CLP 2006)
- No provision for affordable housing (policy 5.5 of CLP 2005)
- Unacceptable transport impact (policy 8/2 of CLP 2006)

**Do you think there are changes that could be made to overcome your concerns?**

Option 1: The property could remain a beautiful well designed family home acting as a landmark building on a prominent corner plot.

Option 2: The property could be refurbished and converted into flats, possibly with an extension and conversion of the loft space.

Under both options, we would wish to see the landscaping plan amended to retain more of the existing vegetation.

**Development Control Forum Members:** Blencowe, Hart, Hipkin, McQueen, Nethsingha, Page-Croft, Smart (Chair), Thornburrow and Tunnacliffe

**Alternates:** Baigent, Gillespie and Holt
