# Appendix 1 – Planning Policies and Guidance

(Updated September 2020)

## 1.0 Central Government Advice

1.1 National Planning Policy Framework (NPPF) February 2019 – sets out the Government’s economic, environmental and social planning policies for England. These policies articulate the Government’s vision of sustainable development, which should be interpreted and applied locally to meet local aspirations.

1.2 Planning Practice Guidance (NPPG)

The guidance complements the National Planning Policy Framework and provides advice on how to deliver its policies.

1.3 Circular 11/95 – The Use of Conditions in Planning Permissions (Appendix A only): Model conditions.

### *Planning Obligations*

1.4 Community Infrastructure Levy (CIL) Regulations 2010 (as amended)

Paragraph 122 Places a statutory requirement on the local authority that where planning permission is dependent upon a planning obligation the obligation must pass the following tests:

- (a) necessary to make the development acceptable in planning terms;
- (b) directly related to the development; and
- (c) fairly and reasonably related in scale and kind to the development.

The 2019 amendments to the regulations removed the previous restriction on pooling more than 5 planning obligations towards a single piece of infrastructure.
