Text of Petition:

We the undersigned petition the Council to convene a Development Control Forum in relation to planning application 16/1134/OUT Revised Outline Planning Proposal for the West Cambridge Site, Madingley Road, Cambridge, Cambridgeshire. We are particularly concerned by the proposal contained within the Outline Plan to build a multi-storey car park for 450 cars on the corner of Clerk Maxwell Road (CMR) and Madingley Road, and by the applicant's plan to require all cars using the carpark and all service vehicles visiting the eastern end of the site to enter and depart via CMR.

The grounds for asking for a Forum on this application are as follows:

1. The creation of a multi-storey carpark conflicts with Cambridge Local Plan Policy 80, which states that 'Development will be supported where it demonstrates prioritisation of access is by walking, cycling and public transport, and is accessible for all'.
2. The location is inappropriate for siting a multi-storey carpark. CMR and Madingley Road are residential roads, and the building would be right on the edge of a conservation area. The first thing visitors approaching the site from the city will see is a multi-storey carpark, which would be an underwhelming introduction to a 'world-class facility' and out of keeping aesthetically with its surroundings.
3. The applicant has offered to fund the construction of cycle paths down both sides of Clerk Maxwell Road, which would leave insufficient space to build a feeder lane in CMR for vehicles to queue to get into the car park, adding to congestion and pollution on the corner and creating the possibility that cars will back up onto Madingley Road.
4. On 1 July 2020, planning approval was granted for the construction of 35 dwellings on the site of the former Cocks and Hens Tennis Club

on CMR. The entrance to this development, where an open play area will be provided for young children and teenagers, is opposite the proposed entrance to the multi-storey car park. This conjunction of traffic and play area is potentially unsafe.

We would ask the applicant to give consideration to either removing the car park from its plan or moving it to the western end of the site adjacent to the M11, where fewer people live, and from there, if necessary, run visitors round the site on electric buggies. If that is not possible, the applicant should accept that it is responsible for the traffic generated by the West Cambridge site development and arrange for access/egress to the car park and to the buildings at the eastern end of the site to be directed via JJ Thompson Road, rather than utilising CMR as its service road. In essence, the plan brings traffic from the M11 and A428 further down Madingley Road and into the city than is necessary and is an imposition on local residents and contrary to the public policy of encouraging cycling, walking and the use of public transport.

Development Control Forum Members: Baigent, Green, McQueen, Page-Croft, Porrer, Smart, Thornburrow and Tunnacliffe

Information for Petitioners' and Applicants' Representative

The aims of the Forum are to allow early discussion of the planning issues and to explore the scope for agreement and compromise between all sides.

Up to three representatives of the petitioners and up to three representatives of the applicants may attend and speak for a total period not exceeding 20 minutes.

The applicants' presentation is heard first and applicants are asked to start their presentation with a brief description of the application proposals.

For further information on the conduct of the Forum or the petition process, please see the Development Control Guidelines, a copy of this is available on the Council's website at <https://www.cambridge.gov.uk/petitions-and-development-control-forum> or contact the Council's Committee Section (01223) 457000.

Please let the Committee Manager know if you would like a briefing on the procedures at the Forum, if you have any other queries, or if you require any special facilities

Format of the Forum

The format of the Forum will be as follows for each application:

- Introduction by Chair and declaration of Councillor interests – **up to 5 minutes**
- Presentation of the application by the applicant/agent (up to 3 representatives) principally to address the issues raised by petitioners – **up to 15 minutes**
- Presentation of the views of the petitioners against the application (up to 3 representatives) – **up to 15 minutes**
- Presentation by the planning officer – **up to 10 minutes**
- Member questions and issues arising – **up to 30 minutes**
- Summing up by the applicant/agent – **up to 5 minutes**

- Summing up by the petitioners against the application – **up to 5 minutes**
- Final comments of the Chair

Information for the public

Details how to observe the Committee meeting will be published no later than 24 hours before the meeting.
