Licensing Act 2003 - Licensing Sub-Committee: Hearings Procedure

Preliminary Matters

1. **The Chair** will commence the hearing by introducing him/herself, the other two members of the Sub-Committee and the officers present.
2. **The Chair** will ask the applicant(s)/the responsible authorities/the interested parties present, and their representatives (if applicable), to introduce themselves and identify their interest in the proceedings.

Failure of a party to attend the hearing

3. If a party has informed the licensing authority that he/she does not intend to attend or be represented at a hearing, the hearing may proceed in his/her absence.
4. If a party who has not so indicated fails to attend or be represented at a hearing, the Sub-Committee may –
 - (a) where it considers it to be necessary in the public interest, adjourn the hearing to a specified date, or
 - (b) hold the hearing in the party's absence.
5. Where the Sub-Committee holds the hearing in the absence of a party, the Sub-Committee will consider at the hearing the application, representations or notice made by that party.
6. **The Chair** will explain the procedure to be followed at the hearing and will confirm whether the Sub-Committee must reach its decision at the end of the hearing or within 5 working days of the hearing, depending on the application being heard.
7. **The Clerk to the Sub-Committee** will indicate whether any party has requested permission for any other person(s) (other than his/her representative) to appear at the hearing to assist the Sub-Committee in relation to the application, representations or notice of the party making the request. The Sub-Committee will decide whether to grant permission to allow any other person(s) to appear at the hearing on behalf of the party; such permission will not be unreasonably withheld.
8. **The Clerk to the Sub-Committee** will ask whether any party is seeking to introduce any document(s) or other information not previously disclosed to all the other parties to the hearing and the licensing authority. If all the other parties consent, the previously undisclosed document(s) or other information can be produced by a party in support of their application, representations or notice (as applicable).
9. The hearing will take the form of a discussion led by the Chair of the Sub-Committee. Cross-examination will not be permitted unless the Sub-Committee considers that cross-examination is required to

consider the representations, application or notice as the case may require.

10. The Sub-Committee will consider any requests to permit cross-examination on a case-by-case basis. When permission is given to one party, it will also normally be extended to all other parties.

11. The Sub-Committee will decide the equal maximum period of time that each party will have to present their case.

The Hearing

12. *The Licensing Officer will present the report to the Sub-Committee.*

13. Members may ask any relevant questions of the Licensing Officer.

14. *The applicant, or the party who has initiated the hearing, will present their case first.*

15. The party shall be entitled to:

(a) give further information in support of their application, representations or notice (as applicable) in response to a specific request by the licensing authority prior to the hearing;

(b) question any other party (if permission has been given by the Sub-Committee);

(c) address the Sub-Committee.

16. If the Police are a party to the hearing, they will present their case. The Police have the rights listed in paragraph 15 (a) – (c) above.

17. If any other “responsible authority” are a party to the hearing, they will present their case in turn after the Police and have the rights listed in paragraph 15 (a) – (c) above.

18. Any other interested parties will then present their case in turn and have the rights listed in paragraph 15 (a) – (c) above.

19. Members of the Sub-Committee may ask questions of the/each party or any other person permitted to appear at the hearing in support of the party.

20. **The Chair** will invite the applicant, or the party who has initiated the hearing, and any parties making representations, to briefly summarise their points if they wish.

21. **The Chair** will ask the applicant, or the party who has initiated the hearing, and all parties making representations, that they are satisfied that they have said all they wish to.

The Decision

22. In considering any representations or notice made by a party, the Sub-Committee may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.

23. In reaching its decision, the Sub-Committee will disregard any information given by a party, or any person who has been permitted to appear at the hearing, which is not relevant to –

- (a) the application, representations or notice (as applicable) or in the case of another person, the application, representations or notice of the party requesting their appearance, and
- (b) the promotion of the licensing objectives or, in relation to a hearing to consider a notice given by the Police, the crime prevention objective.

24. The Sub-Committee may consider its decision in private and may move into private session where it considers that the public interest in so doing outweighs the public interest in that part of the hearing taking place in public. If the Sub-Committee do move into private session then all the parties and their representatives, any other person permitted to appear at the hearing, officers, the public and the press will be asked to leave the room whilst the decision is made.

The Chair will tell those present at the meeting the decision taken by the Sub-Committee and the reasons for the decision.

INTRODUCTION

- 1.1 An application under Section 17 of the Licensing Act 2003 for a Premises Licence to be issued in respect of Best One Express, 4 Fitzroy St, Cambridge, CB1 1EW has been received from Dilip Bathula. It was served on Cambridge City Council (the Licensing Authority) on 19th October 2021.
- 1.2 The applicant is seeking a Premises Licence to supply alcohol off the premises only between 10:00 and 22:00 Monday to Sunday. The application is attached to the report as Appendix A with a proposed plan of the Premises attached at Appendix B.
- 1.3 In accordance with the regulations of the Act the application was advertised on the premises and in a local newspaper to invite representations from responsible authorities and other persons. The last date for submitting representations was 16th November 2021.
- 1.4 During the representation period the applicant agreed to the condition shown below put forward by Environmental Health under the Prevention of Public Nuisance Licensing objective.

“Collections from and or deliveries to the premises, shall only take place between the hours of 07:00 and 23:00. This shall include the placing of waste, including bottles, into waste receptacles outside the premises and the emptying of waste receptacles outside the premises and the emptying of waste receptacles by a waste contractor.”
- 1.5 The applicant also agreed to the addition of 16 conditions proposed by the Police under the Licensing Objectives (Listed below at Point 5). These are shown at Appendix C.
- 1.6 A representation was received on 15th November 2021 from one other person attached to the report at Appendix D.
- 1.7 No representations were received from any of the other Responsible Authorities.
- 1.8 The application needs to be determined.

2. RECOMMENDATION

- 2.1 Members must determine the application on its individual merits having reference to the statutory licensing objectives and Cambridge City Council's 'Statement of Licensing Policy'.

3. BACKGROUND

- 3.1 The premises are located within the city centre cumulative impact area. It is therefore subject to a special policy on cumulative impact. The special policy creates a rebuttable presumption that applications within cumulative impact areas for any new premises licence or variations that are likely to add to the existing cumulative impact will normally be refused if relevant representations are received about the cumulative impact on the licensing objectives.
- 3.2 This is unless, under Section 4.9 of the Cumulative Impact Assessment, the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact already being experienced.
- 3.3 In carrying out its licensing functions, the Licensing Authority must have regard to its Statement of Licensing Policy, the Cumulative Impact Assessment and additionally the statutory guidance issued under Section 182 of the Licensing Act 2003. The relevant sections from the Council's Statement of Licensing Policy are:
- Objectives - Section 2
 - Fundamental Principles - Section 4
 - Cumulative Impact - Section 5
 - Licensing Hours - Section 6
 - Licence Conditions - Section 8

4. CONSULTATIONS

- 4.1 The Licensing Act 2003 requires applications made under section 17 of the 'Act' to be served on the Responsible Authorities and they must also advertise on the premises and in a local newspaper circulating within the vicinity of the premises. During the consultation period, Responsible Authorities and Other Persons (any individual, body or business entitled to make representations to licensing authorities) may make a representation in respect of the application.

- 4.2 Statutory consultation has therefore taken place with Responsible Authorities and interested parties in accordance with the procedures set out in the Licensing Act 2003 and associated regulations made under the 'Act'.

5. OPTIONS

- 5.1 Whilst having reference to the information provided by the applicant and the information raised in the representation and also Cambridge City Council's Statement of Licensing Policy, the Sub-Committee's decision must be made with a view to promoting one or more of the four licensing objectives, namely:

- (a) the prevention of crime and disorder;
- (b) public safety;
- (c) the prevention of public nuisance; and
- (d) the protection of children from harm.

- 5.2 Members should take such steps that they consider are necessary for the promotion of the licensing objectives. The Sub-Committee may resolve:

- (a) to grant the licence subject to the mandatory conditions and those conditions offered by the applicant which may be modified to such extent as the authority considers necessary for the promotion of the licensing objectives;
- (b) to exclude from the scope of the licence any of the licensable activities to which the application relates;
- (c) to refuse to specify a person in the licence as the premises supervisor;
- (d) to reject the application.

- 5.3 Members must give reasons for their decision.

6. CONCLUSIONS

- 6.1 The Licensing Authority has a duty under the 'Act' to promote the Licensing Objectives. Each objective has equal importance. In carrying out its licensing functions, the Licensing Authority must also have regard to its Statement of Licensing Policy, and the Statutory Guidance under the Licensing Act 2003 and it is bound by the Human

Rights Act 1998. The Council must also fulfill its obligations under Section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder in Cambridge.

7. IMPLICATIONS

a) Financial Implications

Cambridge City Council (the Licensing Authority) has a statutory duty to determine applications made under the Licensing Act 2003. The application fees associated with such applications are set by Central Government and are intended to cover the cost of administering the licensing regime.

There are no specific financial implications associated with this report.

(b) Staffing Implications

There are no staffing implications associated with this report.

(c) Equal Opportunities Implications

No Equality Impact Assessment has been conducted as the only consideration in reaching a decision is whether the granting of the application will undermine the statutory licensing objectives.

(d) Environmental Implications

Any environmental implications that need to be considered must specifically relate to the promotion of the statutory licensing objectives and will be contained in the representations made by the responsible authorities or interested parties.

(e) Community Safety

Cambridge Constabulary, Cambridgeshire Fire & Rescue Service, Cambridge City Council's Environmental Health Team, Cambridge City Council's Planning Service, Cambridgeshire County Council's Child Protection & Review Unit, Cambridgeshire County Council's Trading Standards Department and the Public Health Director were consulted as part of the application process and could have made representation if it was considered that the granting of the application would undermine one or more of the statutory licensing objectives.

Those making representations would have raised any relevant community safety implications.

Provide a general description of the premises

Continued from previous page...

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

The premises trades as a small convenience store in Cambridge city centre, and is seeking to offer the sale of alcohol for consumption off the premises. It has become necessary for the applicant to seek additional product ranges to ensure the business has a chance of success in the future. The introduction of a small off sales range will increase the overall basket spend of his regular customers. This application is not made with the intention of pulling in new customers from all over Cambridge, but merely to provide the full convenience store experience to the existing customer base. A basket spend of £8 rather than £4 can be the difference between survival or not. The applicant is aware that the premises falls within the city centre CIA, but is asking, having considered the application that you accept this as an exception to the policy.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Appendix C – Best One Express Representation Redacted

Subject: Re: Application received under the Licensing Act 2003 for a new Premises Licence – Best One Express

I would like to make an objection to this application.

The location is within the city centre cumulative impact area. I am objecting because the application does not address issues of cumulative impact, as it should do under 4.9 of the cumulative impact assessment, which indicates a lack of awareness of the authority's policy regime. It does ask for "an exception" but no reason for an exception is provided except economic need, which as far as I am aware is not a relevant factor, although I naturally have sympathy.

I am also objecting because I consider that the application, even with the conditions recommended by the Police, will leave the business ill-equipped to deliver on the licensing objectives.

I am obliged to highlight that 'cumulative' in the very local sense means next door to Waitrose, which staffs access and egress from its licensed store with a uniformed guard which helped to gain them their licence for alcohol sales. The guard role there is active in regulating access and intervening on egress from the premises. In this context, in the absence of a guard at 4 Fitzroy Street - indeed with only one staff member present and s/he not located between the open shelving for alcohol and street access, the premises will immediately be identified as the go-to place for those looking for unprotected alcohol.

In my opinion this business is unfortunately not proposing the resources necessary to address the local situation in a properly considered attempt to meet any of the licensing objectives.

The location is 50 metres from the Willow Walk hostel for the highest needs homeless people, who typically are suffering from addictions or mental ill health or both. Fitzroy Street is the regular location of beggars and rough sleepers. The confectionary merchandise of the shop itself draws children on the school run to St Mathews and Park Street Primary Schools and Parkside Community College. These are the most sensitive and at times pressurised and volatile conditions into which to introduce a further outlet for alcohol sales with lower than the prevailing standards of security.
