Public health and well-being for meeting arrangements

Whilst the situation with COVID-19 is on-going, the Council will be following the latest Government guidance in organising and holding its meetings.

This Meeting will be live streamed to the Council's YouTube page. Those wishing to address the meeting will also be able to do so virtually via Microsoft Teams. Given the ambition to limit numbers of people attending the meeting in person to reduce the risk of infections, we would encourage members of the public who wish to address the Committee to do so virtually.

Should you have to attend in person, we always ask you to maintain social distancing and maintain your face covering unless you are exempt or when speaking at the meeting. Hand sanitiser will be available on entry to the meeting.

If members of the public wish to address the committee either virtually or in person, you must contact Democratic Services democratic.services@cambridge.gov.uk by 12 noon two working days before the meeting.

Appendix 1 – Planning Policies and Guidance

(Updated September 2020)

1.0 Central Government Advice

1.1 National Planning Policy Framework (NPPF) February 2019 – sets out the Government’s economic, environmental and social planning policies for England. These policies articulate the Government’s vision of sustainable development, which should be interpreted and applied locally to meet local aspirations.

The guidance complements the National Planning Policy Framework and provides advice on how to deliver its policies.

1.3 Circular 11/95 – The Use of Conditions in Planning Permissions (Appendix A only): Model conditions.

Planning Obligations

1.4 Community Infrastructure Levy (CIL) Regulations 2010 (as amended)

Paragraph 122 Places a statutory requirement on the local authority that where planning permission is dependent upon a planning obligation the obligation must pass the following tests:

- (a) necessary to make the development acceptable in planning terms;
- (b) directly related to the development; and
