## **Public health and well-being for meeting arrangements**

Whilst the situation with COVID-19 is on-going, the Council will be following the latest Government guidance in organising and holding its meetings.

This Meeting will be live streamed to the Council's YouTube page. Those wishing to address the meeting will also be able to do so virtually via Microsoft Teams. Given the ambition to limit numbers of people attending the meeting in person to reduce the risk of infections, we would encourage members of the public who wish to address the Committee to do so virtually.

Should you have to attend in person, we always ask you to maintain social distancing and maintain your face covering unless you are exempt or when speaking at the meeting. Hand sanitiser will be available on entry to the meeting.

If members of the public wish to address the committee either virtually or in person, you must contact Democratic Services [democratic.services@cambridge.gov.uk](mailto:democratic.services@cambridge.gov.uk) by 12 noon two working days before the meeting.
