**25/3/Lic Sub Consideration of an Application for a Premises Licence
to be Granted - The C Bar, 1A Devonshire Road, Cambridge, CB1 2BH**

Members **resolved** to adjourn the hearing to the first available date after an eight-week period (approximately), due to the applicant's absence.

This adjournment would also provide the applicant with sufficient time to consider the proposed conditions put forward by Cambridgeshire Constabulary and Public Health, and to prepare a case demonstrating how the granting of the licence would not contribute to the existing cumulative impact in the area.

The meeting ended at 10.30 am
