## **Licensing Sub-Committee: Taxi Regulatory Hearings Procedure**

The City Council is the licensing and regulatory authority for Hackney Carriages and Private Hire Vehicles within the City of Cambridge. The Commercial and Licensing Team of the Environmental Health and Public Safety Team of the City Council is responsible for all licensing matters and an “Officer” is a manager or member of that team.

### **Preparation of Report**

1. Where the Officer considers that the Taxi Regulatory Sub-Committee should decide whether an existing licensed driver is a fit and proper person to hold the licence, the Officer will refer the matter to the Sub-Committee. See Appendix for the relevant legislation.
2. Where the Officer has reason to believe that any of the circumstances set out in sections 60 or 61 of the 1976 Act may apply, the Officer will conduct an investigation on behalf of the Strategic Environmental Health and Public Lead.
3. Following investigation and where the Officer consider it appropriate to do so, the Officer will prepare a report for the Sub-Committee setting out the following:
  - the relevant law, Council policy and the powers of the Sub-Committee.
  - the information obtained as a result of the investigation and the source of that information.
  - any matters in dispute.

### **Preparation for the Hearing**

4. The Officer will write to the driver and ask them if there are any witnesses they wish to attend the hearing to give evidence in person in support of their case. The Officer will then write to the driver, and the witnesses to tell them when and where the Sub-Committee meeting will be held.
5. The Officer will write to the driver giving details of the evidence which has not been included in the report because it is evidence that the driver can be expected to know about already, or there is good reason for keeping it confidential.
6. Evidence can be given in writing or orally, by the Officer, the driver or their witnesses. There are no legal restrictions limiting what kind of evidence can be heard or the form in which it must be presented.

7. If a witness whose presence is requested by the driver is unable or unwilling to attend and the Sub-Committee does not wish to adjourn the hearing, the evidence may be given in writing instead.

8. The driver can give evidence about their character in any way they think is fit, e.g. by letters of reference or by calling witnesses.

9. The Officer will send the driver a copy of the report at least 5 working days before the hearing to give them the opportunity to comment on it or, if they choose, to submit further written representations or additional evidence.

10. If further information, comments, representations or additional evidence is submitted before the hearing the Officer will endeavour to send that information over to the Sub-Committee

11. When presenting the report to the Sub-Committee the Officer will inform the Sub-Committee of any comments, representations or additional evidence submitted by or on behalf of the driver.

12. At any stage the driver may instruct someone (such as a solicitor, a friend or relative, an employer or a member of a trade organisation) to act as their representative. The driver can be represented at the hearing whether or not the driver attends the hearing.

13. If the driver fails to attend the hearing the Sub-Committee may decide to continue in their absence.

14. Any references in this note to a driver should be taken to include their representative.

### **Conflict of Interest**

15. If a member of the Taxi Regulatory Sub-Committee becomes aware of a possible conflict of interest before or during the hearing she/he should raise this with the Head of Legal Services.

16. Members should not take part in hearing a case if they have a personal interest or involvement with it or the issues raised by it might be seen as affecting their impartiality, e.g if they know the driver or a complainant, or they have been previously involved with the case or a closely related case in another capacity.

### **The Hearing**

17. Present at the hearing will be members of the Taxi Regulatory Sub-Committee, the Officer and a Legal Officer who will be the Sub-Committee's legal adviser. A Committee Manager may also be present.
18. At the start of the hearing the Chair of the Sub-Committee will open the meeting, introduce the members of the committee and officers present and explain the procedure to be followed.
19. The committee members will decide whether members of the press and public should be excluded from the remainder of the meeting.
20. The Officer will outline the report and present any witnesses in support of the Officer's case.
21. Members may ask any relevant questions of the Officer or witnesses.
22. The Chair will invite the driver or their representative to ask any questions of the Officer or witnesses.
23. The Chair will invite the driver or a representative to put the driver's case to the committee. This will include calling any witnesses. Witnesses will be allowed into the hearing only when giving their evidence.
24. Members may ask any relevant questions of the driver and/or their witnesses.
25. The Officer may ask any relevant questions to clarify the evidence or information that has been given.
26. When all the evidence has been offered, the Chair will invite all parties to summarise their points if they wish.
27. The Chair will ask all parties if they are satisfied that they have had the opportunity to say everything that they wish to say.
28. The Chair will invite the Legal Adviser to the Sub Committee to give any legal advice that the Adviser considers to be appropriate.
29. If the Sub-Committee wish to consider their decision in private, everyone, except the members of the Sub-Committee, will be asked to leave the room; alternatively, the Sub-Committee will withdraw to another room. The Sub Committee may invite the Legal Adviser to join them. Any legal advice given to the Sub Committee when they are withdrawn will be reported back to the hearing before the Chair resumes it.

30. The Sub Committee may reconvene the meeting in order to seek clarification of the facts.

### **The Decision**

31. Following the hearing the Chair may announce the decision to the driver on the day and /or will write to the driver with formal notification of the decision of the Sub-Committee within 5 working days and informing the driver of the right to appeal to the Magistrates Court and the time within which appeals must be submitted.

32. A suspension or revocation of a driver's licence will take effect at the end of the period of 21 days beginning with the day on which written notice of the Sub-Committee decision was given to the driver unless the Sub-Committee have decided that the interests of public safety require the suspension or revocation to have immediate effect. The letter notifying the driver of the Sub-Committee's decision will include a statement that this is so and an explanation why.
