The Civic Affairs Committee is asked to consider nominations for the positions of Leader of the Council and Executive Councillors for the consideration and approval of Council on 24 May.

7 NOMINATIONS FOR COMMITTEES FOR THE MUNICIPAL YEAR 2012/13

The rules on political balance set out in the Local Government and Housing Act 1989 will be applied to both scrutiny and regulatory committee composition so that, once the size of committees has been determined, the division of seats among the political groups on the Council will be automatic and the Council **must** appoint those members which each political group puts forward for its seats.

In considering the allocation of **committee** places to political groups, the Council is legally required to take into account the following principles:

(1) That the controlling group should have a majority of seats on each committee

(2) That the total number of committee places allocated to each political group must be in proportion to the number of members of that group on the Council.

(3) That on each committee the number of places allocated to each political group must be in proportion to the number of members of that group on the Council.

The order of precedence of these principles is the order in which they are given - i.e. (1) takes highest priority, then (2) then (3).
