## COMMUNITY FORUM – JOIN IN THE DISCUSSION ABOUT THESE ITEMS

### 5 FUTURE WORK PROGRAMME FOR THE AREA COMMITTEE 8.30PM

The Committee asked local people, in a recent community consultation, what they liked about living in north area and the one thing they would like improved. A large number of people took part.

The Committee has a *Forward Plan* that says what it will consider at its next meetings. This is your opportunity, taking into account what people have said previously, to tell the Committee what you think it should be looking at during future meetings. These subjects should be of interest to a wider audience, help promote discussion, and allow the Committee to formulate actions to try and make a difference.

***You will be asked to discuss at your tables, a long-list of subjects (also displayed on the screen) and to place them in the Committee's Forward Plan. Ideally the Committee should consider one subject at each meeting.***

***If you can't get to the meeting and want to join-in, please visit the Committee's facebook page at:***

***<http://www.facebook.com/northcambridgecommunityforum>***

***The Chair will then summarise the views of the tables and ask members to agree the Committee's new Forward Plan.***
