The Forward Plan sets out all the Key and Non-Key Decisions that Executive Councillors will take over the following four months and also includes items that will be brought to Area Committee Meetings for discussion and formal decision.

The Plan is updated monthly and a full copy sent to all Councillors 14 days before the beginning of each month. Members of the public can access the Key Decisions and Area Committees document from this date via the website or from Guildhall Reception.

A decision will be 'KEY' if:

1. The decision is likely to result in the City Council incurring expenditure or making savings in excess of £300,000. OR
2. The decision relates to the acquisition or disposal of land or interest in land with a value in excess of £600,000. OR
3. The decision is likely to be significant in terms of its effects on communities living or working in any ward in Cambridge. OR
4. The decision relates to consideration by the Executive of any matters which involve proposals or decisions
 - to change any plan or strategy included in the Policy framework; or
 - to develop any major new plan or strategy; or
 - for the annual budget; or
 - which would otherwise be contrary to or not in accordance with the policy framework or budget: or
5. The decision relates to consideration by the Executive of any matters which involve proposals or decisions which would have a substantial impact on the operational management of the Council.

All Key Decisions will automatically be included on Scrutiny Committee agendas but Non-Key Decisions will not.

However - two members of a Scrutiny Committee may request that a Non-Key Decision is brought to the meeting for discussion. This request must be made to Committee Manager (Martin Whelan) no later than 10 working days before the meeting, or the date the Executive Councillor makes the decision, whichever is earlier.

Deadline dates for the request of a Non-Key Decision are included in the Plan.

Any Non-Key decision which does not appear on the Forward Plan at least 15 working days before a Scrutiny Committee meeting will automatically be referred for pre-scrutiny by the relevant Scrutiny Committee.

Assessment of the effectiveness of Percentage Renewable Energy (Merton Rule) Policies

To consider the findings of the Merton Rule Assessment Study and to endorse its use as part of the evidence base for the review of the Local Plan.

Policy 8/16 of the 2006 Local Plan requires all major developments to meet 10% of their energy requirements through the use of on-site renewable energy generation, a policy referred to as a Merton Rule policy. South Cambridgeshire, Fenland and Huntingdonshire District Councils have adopted similar policies. In order to assess the effectiveness of these policies, and to help inform future planning policy direction, South Cambridgeshire District Council, commissioned Climate Works Ltd to undertake a detailed survey, analysis and assessment of the use, delivery, effectiveness and future role of these policies. The findings of this study are applicable across all local planning authorities in Cambridgeshire, and will benefit all authorities as they review their current Local Plans, and as such this work has progressed on a joint basis. This committee report considers the findings of this study and the future role of Merton Rule policies might play as part of the review of the Local Plan.
