## The Forward Plan: 1 March 2022 - 31 May 2022

The Forward Plan sets out all the Key and Non-Key Decisions that Executive Councillors will take over the following four months and also includes items that will be brought to Area and Regulatory Committees for discussion and formal decision.

The Plan is updated quarterly and a full copy sent to all Councillors. Members of the public can access the Key Decisions and Area Committees document from this date via the website or from Guildhall Reception.

Any amendments to the Plan will be listed in an amendment sheet, available on deposit. This will also be circulated by email to councillors, to show the changes. Please contact Democratic Services for further information.

A decision will be 'KEY' if:

1. The decision is likely to result in the City Council incurring expenditure or making savings in excess of £300,000 (£1,000,000 for procurement). Excluded from this are all loans to banks or other financial institutions made in accordance with the Treasury Management Policy.

In relation to letting contracts the key decision is seeking authority to procure (and delegate authority to award). OR

2. The decision relates to the acquisition or disposal of land or interest in land with a value in excess of £600,000. OR

3. The decision is likely to be significant in terms of its effects on communities living or working in any ward in Cambridge. OR

4. The decision relates to consideration by the Executive of any matters which involve proposals or decisions:
- to change any plan or strategy included in the Policy framework; or
  - to develop any major new plan or strategy; or
  - for the annual budget; or
  - which would otherwise be contrary to or not in accordance with the policy framework or budget. OR
5. The decision relates to consideration by the Executive of any matters which involve proposals or decisions which would have a substantial impact on the operational management of the Council.

All Key Decisions will automatically be included on Scrutiny Committee agendas but Non-Key Decisions will not.

However - two members of a Scrutiny Committee may request that a Non-Key Decision is brought to the meeting for discussion. This request must be made to Committee Manager (James Goddard) no later than 10 working days before the meeting, or the date the Executive Councillor will make the decision, whichever is earlier.

Deadline dates for the request of a Non-Key Decision are included in the Plan.

Any Non-Key decision which does not appear on the Forward Plan at least 15 working days before a Scrutiny Committee meeting will automatically be referred for pre-scrutiny by the relevant Scrutiny Committee.

To note that the council's management and operation of Storey's Field Centre will end 31 March 2023 and that eight Council employed posts will then transfer under a TUPE arrangement, to new operator appointed by Storey's Field Centre Trust</p>	<p>The Council agreed to enter into a contract with Storeys Field Centre Trust (SFCT) to operate Storeys Field Community Centre, but this was never intended to be a long-term arrangement for either party. An initial 5 year contract for services was agreed, and this was then extended for 18 months in October 2021 and is now due to end 31st Dec 2022. However, Storeys Field Centre Trust (SFCT) has requested provision for a further extension to enable sufficient time to implement and complete the successful transfer of services and staff to a new service provider. The Council will continue to work with SFCT to complete the transfer by the 31st Dec 2022, but should there be any complexities or delays, a decision is required to extend the contract for 3 months until 31st March 2023, to provide additional time if it is required.</p>	<p>Executive Councillor for Communities</p>	<p>Allison Conder Strategic Project Manager</p>	<p>Not currently requested for pre-scrutiny.</p>

<p>Hackney Carriage Table of Fares</p> <p>Executive Councillor is recommended to approve the change to the Table of Fares as presented.</p>		<p>The Local Government (Miscellaneous Provisions) Act 1976 allows us to govern fares charged by Hackney Carriage vehicles for certain journeys.</p> <p>Fares include charges for distance traveled and waiting time. There are three tariffs for distance, depending on the time of day and day of the week.</p> <p>In previous years, it was agreed that increase in Tariffs within the Fare be increased by Consumer price inflation in March. However, in the last three years we have received queries from the trade in regards to increasing fare prices in alternative manner and also for the council to look at making changes to Extra charges charged.</p>	<p>Executive Councillor for Climate Change, Environment and City Centre</p>	<p>Wangari Njiiri Environmental Health and Licensing Support Team Leader</p>	<p>Not currently requested for pre-scrutiny.</p>

<p>Proposed Improvements to the Market Square</p> <p>1 Note the update on the project status and next steps for the project workstreams.</p> <p>2 Note the need to consider the project in line with the heat network feasibility study and GCP's Road network hierarchy review and resulting proposals before a more detailed scheme proposal can be developed in order to ensure that a strategic approach is taken to the project. This is likely to mean that the development of a final scheme for approval to progress to a planning application will not be finalized until at least 2023.</p> <p>3 Approve the amended vision as proposed in section 4.3.</p> <p>4 Delegate authority to the Director, in consultation with Chair and Spokes, to continue to develop the project in line with the Corporate Programme Office and project management requirements, and with the Council's formal decision processes. The project will be managed in collaboration with partners leading other major schemes which may have an impact on the outcomes for this project. Formal scheme development, where proposed, will be developed in line with current policy, including on voluntary and statutory consultation, and brought to committee. Future delivery of any approved project will be subject to available funding.</p> <p>5 Approve the proposal to set up a liaison group to ensure information and updates on the project are informally shared with key stakeholders.</p>	<p>Following work done on the Market Square Project to date and the last report to Environment and Communities Scrutiny Committee in 2021, the Council announced its intention to review the project and stakeholder feedback and to come back to Committee with an update in March 2022.</p> <p>This report provides an update on the Project.</p>	<p>Executive Councillor for Climate Change, Environment and City Centre</p>	<p>Fiona Bryant Director of Enterprise and Sustainable Development</p>	<p>Requested for pre-scrutiny by Cllrs Payne &amp; Porrer.</p>

<p>CCTV in Hackney Carriage and Private Hire vehicles</p> <p>Members are recommended to approve the continued work and approach in the aim of implementing CCTV in licensed vehicles.</p>	<p>On 16th October 2017 Members agreed to the mandatory requirement for the installation of CCTV in Hackney Carriage and Private Hire vehicles.</p> <p>In September 2020, Members agreed for the implementation of all licensed vehicles to have a approved CCTV system within the licensed vehicle by April 2022. This was however dependent on identifying an approved supplier.</p> <p>Due to several factors, an approved supplier was not identified and the implementation of CCTV has been delayed. The above implementation date will not be met.</p> <p>As we continue to look to implement CCTV jointly with South Cambridgeshire District, following the release of the Statutory taxi and private hire vehicle standards (July 2020), it would be in the interest of the council to consider proportionality of CCTV use. The standards advise that the use of CCTV is kept under regular review.
