Re: Objection to new application for
offlicence at No. 28 Mill Road, CBI-2A2.

We are writing to object to above application
because as it is there are more than sufficient
outlet of alcohol on mill Road.

Mill Road is accumulative impact zone.
So any additional outlet will cause more
deterioration and bring more problems to
this area.

We have problems of antisocial behaviours
cause by excessive alcohol consumption.

We kindly request not to grant any
new offlicence on mill Road.

Thanking you.

Date: 07/05/2012 12:58
Subject: 28 Mill Road

Dear Cambridge Council,

I am writing to object to the application to sell alcohol at the Hardware shop at 28 Mill Road. I was pleased to see a new business open here and fill a particular gap in the provision at that end of the road. However its new application to sell alcohol is totally unnecessary and indeed unwanted. There are a number of outlets for alcohol on Mill Road maintaining competition. Increasing this number will increase public nuisance and disorder, especially considering its proximity to the graveyard, where there is already a serious problem of drunks and public nuisance as I have experienced first hand, including with my young daughter.

I sincerely hope this application is refused.

Yours Sincerely

Richard Cross
32 Emery Street
Cambridge
CB1 2AX

From: [REDACTED]
To: <licensing@cambridge.gov.uk>
Date: 07/05/2012 12:47
Subject: License application: 28 Mill Road

Dear Sirs

License application: 28 Mill Road, Cambridge

I would like to register a strong objection to the application by the traders at 28 Mill Road to sell alcohol from 8 a.m. to 11 p.m. Mill Road has introduced a Cumulative Impact Zone precisely to limit the number of outlets selling alcohol for reasons of public nuisance and disorder so it would seem quite inappropriate to license another outlet.

In addition, it is not at all clear on what basis a shop selling homeware and hardware would consider alcohol a suitable stock item. I was in fact surprised to see that their right hand window now displays cold drinks in place of the previous display of waste bins. The aim is perhaps to become a 'takeaway' by stealth.

Yours faithfully,

Rosemary Wilson

Subject: Ref 28 Mill Road - objecting to yet another alcohol outlet

Hi

Just wish to object to the application from the 'Hardware' store at 28 Mill Road for a licence to sell alcohol - are they for real?

Are they changing from a hardware store? or is this simply greed at its most obvious?

I don't think I or anyone else, (looking other members of the Mill Road population) appear to have any problems finding and buying alcohol on Mill Road, at 8.00am I hope alcohol isn't a high priority for most residents, so why not leave things as they are?

DIY and Vodka - wonderful!.. mixed messages - definitely!

This application needs kicking into touch for its reckless disregard for the impact that Mill Road already has on its residents, and how street drinking radically reduces the appeal of such a road. Mill Road could be a much more pleasant environment to shop/use if you didn't continually feel you are running the gauntlet of beggars and drunks.

Hope this is all I have to do

many thanks

Susan Berwick

107 Mawson Road Cambridge
CB1 2DZ

We are writing to object to the above application on the basis that there are already too many outlets supplying alcohol on Mill Road. Mill Road is an Accumulative Impact Zone, a designation acknowledging a history of problems in the area with anti-social behaviour caused by alcohol consumption. If granted this application will exacerbate an already problematic situation further.

From: [REDACTED]
To: <licensing@cambridge.gov.uk>
Date: 08/05/2012 14:03
Subject: 28, Mill Road - Hobby House, hardware and general stores

Attn: Ms. Stoker,

I have been made aware of the application for a licence to sell alcohol, off sales (by the above) and was surprised notice has not been addressed, using the database, created by Pen Hird, for matters of public interest. The Mill Road Community Improvements Group is still registered.

The consistent view represented by residents' groups has been to limit the trading hours of all outlets on Mill Road, given the experience which led to its inclusion in the central Cumulative Impact Zone, the use of Section 30 (ASBAct 2003) and APEC negotiations with the Cambridge Police.

The 'relaxation' of licensing, as a social experiment, has not been borne out in relation to 'binge drinking' (especially in student dominated areas, where 24/7 socialising includes the right to vomit in the streets, witnessed on Friday night last, in this short stretch, after topping up, in the vicinity).

This leads to question the Licensing Department's understanding of 'adequacy' which the Magistrates abandoned, long ago, as a constraint on trade 'which should seek its own level, allowing market conditions 'free play'. It also raises questions of the definition of 'vicinity' in the context of impact.

The present approach to policy and policing provides multiple instances of inadequate control by licensees selling to the "already inebriated" and there has been evidence of absenteeism and poor attention to the regulation. A common cut off time, equal on all outlets, by the midnight watershed should be common policy if only to inhibit variants to gain advantage.

Without consideration of 'adequacy', present policy encourages 'beggar my neighbour' tactics and discount selling to maintain margins of profitability.

I fail to see The Hobby House application, already undercutting other shops with its soft drinks section, applying a different standard to alcohol (which has little in common with hardware); this is an attempt to cut a piece of the very profitable action action.

The application should be rejected on the four grounds specified in relation to the CI Zone.

Regards,

Jon Green

Subject: 28 Mill Road

Dear sir/madam,

I am emailing you to express my objection to the recent/current application submitted by the hardware shop at 28 Mill Road, CB1 to sell alcohol from 8am to 11pm. In my opinion, there are already more than sufficient local outlets for the purchase of alcohol. I am very concerned that another outlet would increase the potential for public nuisance and disorder in this residential neighbourhood. I would appreciate you letting me know the outcome of this application when the decision has been made by Cambridge Council.
Thank you. Yours faithfully, Patricia Langton, 40 Perowne Street, Cambridge CB1 2AY

From: [REDACTED]

Date: 07/05/2012 13:45
Subject: 28 Mill Road – application for licence to sell alcohol

Dear Sir or Madam

I understand that the hardware shop at 28 Mill Road has applied for a licence to sell alcohol. I would like to object to the granting of this application. There are already many shops on Mill Road that sell alcohol and a further outlet will inevitably increase public nuisance and disorder.

Thank you for your consideration of this matter.

Yours faithfully,

Mary Nathan

Dear Sir/Madam

We are writing to object to the above application because there are already more than sufficient alcohol outlets on Mill Road.

Mill Road is an Accumulative Impact Zone and any additional outlets will cause more intoxication and bring even more problems to this area that the Impact Zone was intended to reduce. We already have major problems of anti-social behaviour caused by excessive alcohol consumption.

We kindly request you not to grant the application for this proposed new off-licence on Mill Road.

Yours faithfully

Subject: 28 Mill Road

Dear Sir/Madam, I would like to object to the application to sell alcohol made by the above premises i.e. 28 Mill Road. We live at 5 Mill Street and have experienced the anti-social behaviour which has increased in the last few years. The cumulative impact zone covers the full length of Mill Road for the specific reason that degradation and dis-order has affected the area so much so that large groups of local residents have to complain about it. There are too many alcohol outlets in the area already.

Cambridge CB1 2AD

Dear Sir/Madam

We are writing to object to the above application because there are already more than sufficient alcohol outlets on Mill Road.

Mill Road is an Accumulative Impact Zone and any additional outlets will cause more intoxication and bring even more problems to this area that the Impact Zone was intended to reduce. We already have major problems of anti-social behaviour caused by excessive alcohol consumption.

We kindly request you not to grant the application for this proposed new off-licence on Mill Road.

Yours faithfully

Subject: 28 Mill Road - object

Dear Sir/Madam

I live at 103 Glisson Road which is the Mill road end and walk my daughter across Mill Road and through the cemetery to school at St Mathews. We already have quite a challenge dodging groups of anti-social behaviour and my 6 year old has witnessed rather more drunken people in various states of disarray than I think appropriate.

We certainly do not need any further opportunities for people to obtain alcohol in this area and I see no reason for a hardware store to be selling it anyway. I therefore would like to register my objection.

Thank-you

Kind Regards
Louise Dexter

Dear Sir/Madam

We are writing to object to the above application because there are already more than sufficient alcohol outlets on Mill Road.

Mill Road is an Accumulative Impact Zone and any additional outlets will cause more intoxication and bring even more problems to this area that the Impact Zone was intended to reduce. We already have major problems of anti-social behaviour caused by excessive alcohol consumption.

We kindly request you not to grant the application for this proposed new off-licence on Mill Road.

Yours faithfully

Ref: *END*
objection to new application for
off licence at No. 28 Mill Road. CB1. 2AA.

We are writing to object to above application
because as it is there are more than sufficient
outlet of alcohol on mill Road.

mill Road is accumulative impact zone.
so any additional outlet will cause more
deterioration and bring more problems to
this area.

We have problems of antisocial behaviours
cause by excessive alcohol consumption.

We kindly request not to grant any
new off licence on mill Road -

Thanking you.

28 April 2012

Ref: Objection to new application for
OFF LICENSE at No 28 MILL ROAD CB1 2AD.

We are writing to object to the above
application. There are more than sufficient
outlets selling alcohol on Mill Road, and
there is already a considerable problem
of antisocial behavior that is alcohol related.
An additional outlet will bring more problems,
and is NOT NEEDED. Excessive alcohol
consumption is a growing problem.

We kindly request NOT to grant the
request for a new off license on Mill Road.

Thank you.

Sincerely yours.

Cambridge CB1 2AD

Dear Sir/Madam

We are writing to object to the above application because there are already more than sufficient alcohol outlets on Mill Road.

Mill Road is an Accumulative Impact Zone and any additional outlets will cause more intoxication and bring even more problems to this area that the Impact Zone was intended to reduce. We already have major problems of anti-social behaviour caused by excessive alcohol consumption.

We kindly request you not to grant the application for this proposed new off-licence on Mill Road.

Yours faithfully

28 MILL ROAD

It has been a bit more peaceful in Mill Road, apart from the same group of drunks congregating in the bus shelter opposite the 'Sally Ann's' centre.

I strongly object to the proposal to sell alcohol from the shop at 28, Mill Road. There are already plenty of outlets for alcohol and that is just between the Parkside Swimming pool ~~and~~ the Mill Road bridge. We do not want an increase in public nuisance and disorder.

Yours faithfully,
Elizabeth Baggs

Representation to Licensing Committee

Licensing Application – 28 Mill Road

I am writing to express my concern at the above application for a licence to sell alcohol at this store.

The application address is in a Cumulative Impact Zone (CIZ) raising a (rebuttable) presumption against a license being granted. Mill Road already has significant and well-known problems with issues associated with street drinking and is more than adequately served by outlets selling alcohol. It must be a concern that granting a license will not only undermine the purpose of the CIZ, but will attract additional street drinkers and exacerbate a problem that already causes real concern to local people. The police, working with other agencies, are putting significant resources into trying to tackle the problems associated with street drinking, adding additional outlets is not going to assist that work and will, I believe, be met with dismay by many who already feel that Mill Road and the surrounding area acts as something of a magnet to street drinkers.

I do not believe that the community needs or wants further alcohol outlets in this area and I hope that the Licensing Committee will take these matters into account in determining this application.

Yours

Gail Marchant-Daisley

licensing@cambridge.gov.uk

Dear Ms Stoker

On behalf of the Glisson Road / Tenison Road Area Residents Association I would like to register an objection to the proposed new license at 28 Mill Road. Over many years Mill Road has suffered from anti social behaviour associated with excessive drinking. Over the last couple of years things have improved, but there are still instances of drunken groups congregating in bus shelters and in the cemetery. In addition our residential area already suffers from considerable late night noise, disturbance and vandalism largely as a result of late night drinking. This area is a cumulative impact zone and we do not need any extension of alcohol retailing.

Dear Sirs

OBJECTION TO APPLICATION FOR OFF-LICENCE AT 28 MILL ROAD, CAMBRIDGE

We are writing to express our concern about the above application. We feel this end of Mill Road is already adequately served by off-licences. We believe it is also a little incongruous having an off-licence in a hardware store.

Tesco Express on East Road was recently turned down an off-licence because of the possible increase of antisocial behaviour caused by excessive alcohol use in the area.

We would like to see a stabilizing and improvement of alcohol fuelled anti-social behaviour along Mill Road and for that reason we would object to a new off-licence being granted to the above business.

Yours faithfully,

L Hearnden

Dear Sir/er Madam,

I have been informed that the owners of N° 28 Mill Road have applied for a licence to stock and sell alcohol. To me this seems a strange request as it has nothing related to their present trade; but more important I think there are already too many off-licence shops nearby, and for years the police and residents have suffered from drunken behaviour in the neighbourhood.

I am making a fervent request that you do not grant this licence to N° 28.

Best wishes

Yours faithfully

CC: Residents Assoc <secretary@gtara.org>
Date: 09/05/2012 12:59
Subject: 28 Mill Road - application to sell alcohol

Dear Sir/Madam

I understand that the hardware shop "Hobby Home" at 28 Mill Road has applied for a license to sell alcohol from 08:00 to 23:00. As a resident of Mill Street I am very concerned by this and would like to object to this application for the following reasons:

1) Mill Road is a designated Cumulative Impact Zone precisely because we already have several outlets licensed to sell alcohol (e.g. Cambridge Wine Merchants, Nip In, Bacchanalia and Cambridge International Stores, not to mention several pubs in between and that's just this side of the bridge!!). We do not need another.

2) Recently we have had more problems with the troublesome street people (a longterm and well-known blight of our area), who congregate daily at Barnabas Church, the Salvation Army, the bus shelter opposite, Mill Road Cemetery and Petersfield Park. They are always drunk/high/both and are loud and foul-mouthed, staggering along the pavement and sometimes falling into the road. You can confirm with the police just how many times a week they have to deal with this nuisance, and as a mother with two young children it is very unpleasant to witness. The last thing we need is yet another alcohol outlet open very early to very late to both attract and then keep them in the neighbourhood.

3) The late night take-aways and fast food outlets on Mill Road attract a lot of night-time business into this area. As a direct consequence the residents of Mill Road and its surrounding residential streets already suffer more than their fair share of late night noise, litter and vandalism. Another shop selling alcohol until 23:00 is yet one more invitation to the types of people who cause these problems for us.

4) It seems odd that a hardware shop is applying to sell alcohol. I do not know of any other hardware shop that sells alcohol and I would question their motives.

In a residential area as densely populated as ours (with young families, students and elderly people among the residents) to grant this alcohol license sends out the wrong message, and I hope the application is rejected for all the reasons I have mentioned. Please keep me informed of the outcome. Thank you.

Best regards
Marianne Stronge

Dear Sir,

I object to any application to sell alcohol along Mill Road. Alcoholism and the road accidents and vandalism that come with it are already a very serious problem in the UK, and it's not worth the extra income. What if your spouse or child was killed by a drink driver or your window was smashed by some drunken idiot? Even supposedly intelligent and well-educated students at the University of Cambridge get drunk and wreak havoc. Please do not approve the application. Thank you very much for your consideration.

Yours sincerely,

From: [REDACTED]
To: <licensing@cambridge.gov.uk>
Date: 09/05/2012 07:53
Subject: 28 Mill Road application to sell alcohol

I, Anne Bailey, resident of 28 Emery Street, Cambridge CB1 2AX wish to object very strongly to the application from the hardware shop at 28 Mill Road to sell alcohol. There are NUMEROUS retail outlets on Mill Road that sell alcohol - Nip In Convenience Store next to the Hardware Shop being one. There can be absolutely no justification for granting a licence, risking as it does further increase in public nuisance and disorder, a problem that is worsening again in the area.

To grant a licence to a shop that opened as a hardware shop would further set a very bad precedent. To open as a hardware shop and then apply retrospectively to sell alcohol is wholly inappropriate and I urge the council to refuse the application.

I want to add that as a parent of children who go up and down Mill Road to school daily it's really very upsetting and frightening for me and them to be accosted by beggars who want money to buy alcohol.

Subject: 28 Mill Road: license application

Dear Sir/Madam,

28 MILL ROAD: APPLICATION FOR LICENSE TO SELL ALCOHOL

I write to register my strong objection to the above application:

1. sale of alcohol in a hardware store is inappropriate
2. a Cumulative Impact Zone is in force for the Mill Road area, and a further outlet for sale of alcohol will upset the existing precarious balance of alcohol sales on the street
3. an additional alcohol outlet will further aggravate the existing occurrence of drunkenness on Mill Road and in the surrounding streets (in one of which I live, and which has drunks sitting on walls and drinking all day long)
4. it will in particular further aggravate the aggressive behaviour that residents suffer at the hands of the "street people", who congregate at certain points obstructing the pavement and intimidating passers by, and openly begging on the street
5. Not merely sale of alcohol for 8:00 a.m. to 11:00 p. m., but sale of alcohol AT ANY HOURS at 28 Mill Road is unacceptable.

Please ask your Licensing Committee to take the above objection into account in arriving at its decision.

Proposal for Alcohol Licence at 28 Mill Road

As a resident I have already objected to this proposal, but I have now been asked as the Secretary of the Friends of Mill Road Cemetery to write on behalf of that Committee. The Cemetery has a persistent problem of groups of drinkers who congregated there sometimes from dawn to dusk. They are at times noisy, at times they have been seen urinating or worse, and we know they are seen as threatening by many of the community who do not like having to walk past them.

The Committee objects most strongly to this latest proposal from a store which is predominantly selling household goods, and which is sited so near the main Mill Road entrance to the Cemetery. We urge you to reject it,
Caroline Wilson

To: <licensing@cambridge.gov.uk>
Date: 07/05/2012 11:38
Subject: Hobby Home, 28 Mill Road

Dear Sir/Madam,

I am writing to very strongly object to plans by Hobby Home, at 28 Mill Road, to obtain a licence to sell alcohol.

Over many years Mill Road has suffered from anti social behaviour associated with excessive drinking. Things have recently improved, but there are still instances of drunken groups congregating in bus shelters and in the cemetery. It does not help that several of the institutions along Mill Road – especially Mickey Flynn's pool hall and the White Swan pub – appear to actively encourage excessive alcohol consumption.

Recently, there has been a concerted campaign by local residents' associations to restrict alcohol licenses and also for the introduction of a Cumulative Impact Zone in our neighbourhood. This covers the entire length of Mill Road, and recognises that there are already sufficient outlets for alcohol. However, it does not preclude new applications. This is a unfortunate oversight.

I am very disappointed to see this new application from 28 Mill Road to sell alcohol from 8.00am to 11.00pm at night. As well as being shockingly inappropriate for a hardware store, such a licence would have a severely adverse impact on the Mill Road area, and would run completely counter to our recent campaigns and hard work.

Mill Road needs more diversity of shops with different uses and purposes, not yet another alcohol outlet. I strongly urge you to reject this application.

Yours sincerely,
Tom Wilson

Subject: application for alcohol license, 28 Mill Road

We write to object strongly to the application for an alcohol licence by Hobby Homes, 28 Mill Road.

This is ludicrous! The next-door Nip-In supermarket sells alcohol, so there can be no need for another outlet unless No 28 intends to sell irresponsibly (high-strength beers and selling to the intoxicated or street drinkers).

We have anti-social behaviour enough on Mill Road. One of us (CD) walks down Mill Road at least once every day, and the street drinking problem is severe and renders a journey down the 'high street' an ordeal. Most street drinkers - even those who are actually harmless - are noisy and make people feel threatened, they leave litter and, increasingly, vomit; a few are foul-mouthed and aggressive. And more alcohol availability will contribute to their social and health problems.

Further, we have problems from the noise and litter of parties in multiple-occupancy houses. Another outlet for late-night topping up of alcohol will contribute to this.

Yours

re. application for alcohol licence for 28 Mill Road.

It is sad, after all the problems over many years concerning alcohol in this area, that yet another application has come in - not least with the intended extension of neighbouring Jimmy's nightshelter whence so many of our alcohol and other drug-related problems derive. I and my wife Suzanne thoroughly endorse the sentiments expressed below by GTARA. GRARA, our area right next to the shop concerned, equally execrate the possibility of the 'demon' drink further blighting our area. Please do not grant this application.

Mike and Suzanne Pitman.

Glisson Road / Tenison Road Area Residents Association

Chair Barbara Bell 23 Glisson Road, Vice Chair – Corinne Duhig 24 Mawson Road, Secretary – Frank Gawthrop 30 Lyndewode Road, Treasurer - Bronwen Loder 39 Glisson Road

Dear Resident, We are writing to you regarding a new application to sell alcohol from a shop in Mill Road. The Association is asking all residents to object to this proposal.

Over many years Mill Road has suffered from anti social behaviour associated with excessive drinking. Over the last couple of years things have improved, but there are still instances of drunken groups congregating in bus shelters and in the cemetery.

With the help of many residents we have successfully campaigned to restrict alcohol licenses and also for the introduction of a Cumulative Impact Zone in our neighbourhood. This zone which covers the entire length of Mill Road is recognition that there are already sufficient outlets for alcohol, but it does not unfortunately totally preclude new applications.

Against this background we are disappointed to see this new application from the hardware shop at 28 Mill Road to sell alcohol from 8.00am to 11.00pm at night. We would urge residents to write to the Council at Mandela House 4 Regent Street CB2 1BY or better still email licensing@cambridge.gov.uk.

Your representation does not need to be long but simply state that you object to this plan as further outlets for alcohol will increase public nuisance and disorder. If you do email please head your message 28 Mill Road and make sure to include your address or the objection is not valid.

The closing date for objection is midnight on Wednesday 9th of May

Dear Sir/Madam

I write to voice my objection to the application to sell alcohol from the hardware shop at 28 Mill road. Excessive alcohol consumption and the consequent socially disruptive behaviour is a major problem on Mill Rd, something that has resulted in the area being designated a Cumulative Impact Zone. I hope that this will help to ensure that the application is swiftly rejected

Cambridge Council.

OBJECTION to Licensing Application for the Hardware Shop 28 Mill Road.

Four of us lead Open Church at St Barnabas, Mill Road, each Thursday afternoon from 5 - 7 pm.

It is exactly that - we offer Tea, Coffee and biscuits to anyone who comes in.

Many of those who do come in, and we have got to know a few of them well spend what money they can get on alcohol.

The early morning drink is a crucial part of their day. The prospect of an application to allow another place in Mill Road where alcoholic drink can be purchased is alarming, indeed frightening.

I live in Perowne St. There are a number of children whose homes are here. There are also numbers of children whose daily route to and from school is along Mill Road.

*There are sufficient outlets to purchase alcohol please do not grant a license for another one.

Dear Sirs

Re: Objection to new Application for
Off-licence at No. 28 Mill Road, CB1 2AD

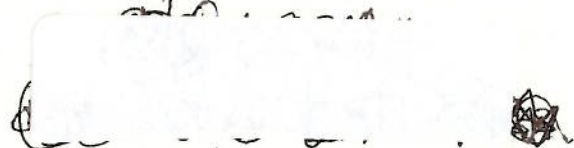

I am writing to object to the above application because there are enough outlets selling alcohol in this section of Mill Road, which is an accumulative impact zone.

The business and residential community in and around Mill Rd already have problems containing anti-social behaviour often caused by easily accessible alcohol in the area.

Nip Inn, which is next to No 28, and the
Off-Licence Shop on the corner of Mill Road
and Covent Garden are but two
outlets selling alcohol within yards of
each other and this application would
make a third if accepted.

I appeal to you to consider this
application very carefully in order to
protect the character of Mill Road
and all the residents who live
nearby.
