Councillor Herbert was invited to comment in a similar manner and said that he supported the proposed change to executive responsibilities.

#### Recommended that:

 In the event of changes to executive responsibilities, corresponding changes be made to Scrutiny Committee responsibilities

## 12/28/civ Nominations for Committees for the Municipal Year 2012/13

The Committee considered a paper setting out the proposed size of committees, the allocations by party and the nominations received.

The Committee considered the rules on political balance set out in the Local Government & Housing Act 1989 in developing the recommendations set out below.

Councillor Boyce proposed and Councillor Rosenstiel seconded a proposal to change the size of committees.

# Recommended (by 4 votes to 0):

- i. That Strategy and Resources Scrutiny Committee, Environment Scrutiny Committee, Community Services Scrutiny Committee, Housing Management Board and the Planning Committee to be reduced in size from 9 members to 8.
- ii. That the Employment Appeals Panel to be increased in size from 9 members to 10.
- iii. That the Labour Group's proposal that the one seat allocated to it on the Joint Development Control Committee and on the Employment Appeals Sub-Committee be allocated instead to the Independent/Conservative Group (as a departure from the rules on political proportionality would require Council's approval, nem. con.)
- iv. To recommend to Council to agree the size and membership of the committees as follows:
