

Vision statement

Cambridge City Council has a clear vision for the future of our city, a vision which we share with Cambridge citizens and with partner organisations.

Cambridge - where people matter

- A city which celebrates its diversity, unites in its priority for the disadvantaged and strives for shared community wellbeing
- A city whose citizens feel they can influence public decision making and are equally keen to pursue individual and community initiatives
- A city where people behave with consideration for others and where harm and nuisance are confronted wherever possible without constraining the lives of all

Cambridge - a good place to live, learn and work

- A city which recognises and meets needs for housing of all kinds – close to jobs and neighbourhood facilities
- A city which draws inspiration from its iconic historic centre and achieves a sense of place in all of its parts with generous urban open spaces and well- designed buildings
- A city with a thriving local economy that benefits the whole community and builds on its global pre-eminence in learning and discovery
- A city where getting around is primarily by public transport, bike and on foot

Cambridge - caring for the planet

- A city in the forefront of low carbon living and minimising its impact on the environment from waste and pollution.
