

COMMITTEE ACTION SHEET

Committee	North Area Committee
Date	27 September 2012
Circulated on	28 September 2012
Updated on	12 November 2012

ACTION	LEAD OFFICER/MEMBER	TIMESCALE	PROGRESS
<p><u>Recycling Units:</u></p> <p>Discuss the issue with the Executive Councillor for Environmental and Waste Services and the Executive Councillor for Housing</p>	Councillor Pitt	ASAP	
<p><u>Petition: Forcibly relocation</u></p> <p>Discuss options with council officers</p>	Glenn Burgess	ASAP	28.09.12: spoken with resident to talk through options and agreed to stay in regular contact.
<p><u>Probation and community service workers</u></p> <p>Discuss the issues with the Executive Councillor for Environmental and Waste Services and feedback at the next meeting.</p> <p>Noted that he had been working with the Probation Service in East Chesterton and would also make enquiries.</p>	Councillor Pitt Councillor Manning	Feedback at meeting on 22 November 2012	
<p><u>Tree planting and damage</u></p> <p>Discuss the issue further with the resident outside of the meeting</p>	Councillor Ward	ASAP	Cllr Ward has corresponded with the resident who raised this issue and is obtaining a response from council officers.

<p><u>Newly planted trees in Camkin Road</u></p> <p>Raise this with the Arboricultural Team at the City Council</p>	<p>Councillor Price</p>	<p>ASAP</p>	<p><u>Feedback from Arboricultural Team:</u></p> <p>“Both trees have suffered dieback. It is difficult to say what has caused this but it could be a verticillium infection, which is commonly seen in Catalpa and causes wilt.</p> <p>The one nearest the shops has a large wound as a result of a branch being torn/blown off which will put it under extra stress. I think it is still worth persevering with both specimens to see if they can pull through. I might try an application of nitrogenous fertilizers to both early next year which should help with the V. wilt. If they respond to that treatment, the wound whilst large should occlude over time as the tree matures.”</p> <p>“The trees were planted in 2010 by an external contractor. As part of the contract, the trees had a two-year guarantee, which expired in May 2012. The trees were suffering slightly in 2011, but they appeared to recover and were doing better when last checked in May this year. Please note that both trees are underground guyed and one tree had been blown by the wind and was leaning slightly”</p>
---	-------------------------	-------------	---

<p><u>Banning of right turns (southbound) from Milton Road into Arbury Road and the banning of traffic exiting Union Lane would ease traffic congestion.</u></p> <p>Make further enquiries and discuss with the resident outside of the meeting</p>	<p>Councillor Manning</p>	<p>ASAP</p>	
<p><u>Cut-through between Hawkins Road and Downhams Lane</u></p> <p>Discuss this with the resident outside of the meeting.</p>	<p>Councillor Ward</p>	<p>ASAP</p>	<p>Cllr Ward has visited the site with the resident, and is taking up the issues raised with council officers, and will report back in due course.</p>
<p><u>Reported incident of three charity workers calling at house, but after a week the Police had still not been in contact</u></p> <p>Discuss the issue with the resident outside of the meeting.</p>	<p>Neighbourhood Policing Sergeant</p>	<p>ASAP</p>
