FOR THE INFORMATION OF THE COUNCIL**13/16/CIV Amendment to Standing Orders of Joint Development Control Committee (Cambridge Fringe Sites) to increase number of alternate members**

The committee received a report from the Head of Planning Services regarding the terms of reference for the Joint Development Control Committee (Cambridge Fringes Site) to increase the number of alternate members for each political group (per Council) represented on the committee. The committee noted that request had come from South Cambridgeshire District Council.

The Head of Legal Services was asked to clarify whether there was any opportunity for political groups to nominate alternates from other groups. The committee were advised that as the City Council appoints more than 3 members, it was subject to the rules on political proportionality.

Resolved (Unanimously)

- i. To recommend that Council agrees that Section 5.1 of the Standing Orders of the Joint Development Control Committee (Cambridge Fringe Sites) be amended to allow two alternate members to be appointed in respect of each political group which represents each of the three councils on the Committee

The meeting ended at 6.50 pm
