

EAST AREA COMMITTEE MEETING – 6TH JUNE 2013

Amendment De-brief Note

PLANNING APPLICATIONS

CIRCULATION: First

ITEM: APPLICATION REF: **12/0095/FUL**

Location: 159-161 Coleridge Road

Target Date: 1st April 2013

To Note:

The applicant has submitted details of a car parking survey for Ashbury Close (see attached information). The applicant has surveyed the level of vacant spaces within Ashbury Close (marked and on-street spaces) and the number of cars parked in the turning head area and adjacent to the applicant's garage.

The survey covers the period from 15 February to 5 May. The applicant has attempted to survey the car parking spaces three times a day to demonstrate the level of car parking provision during the morning, afternoon and evening times.

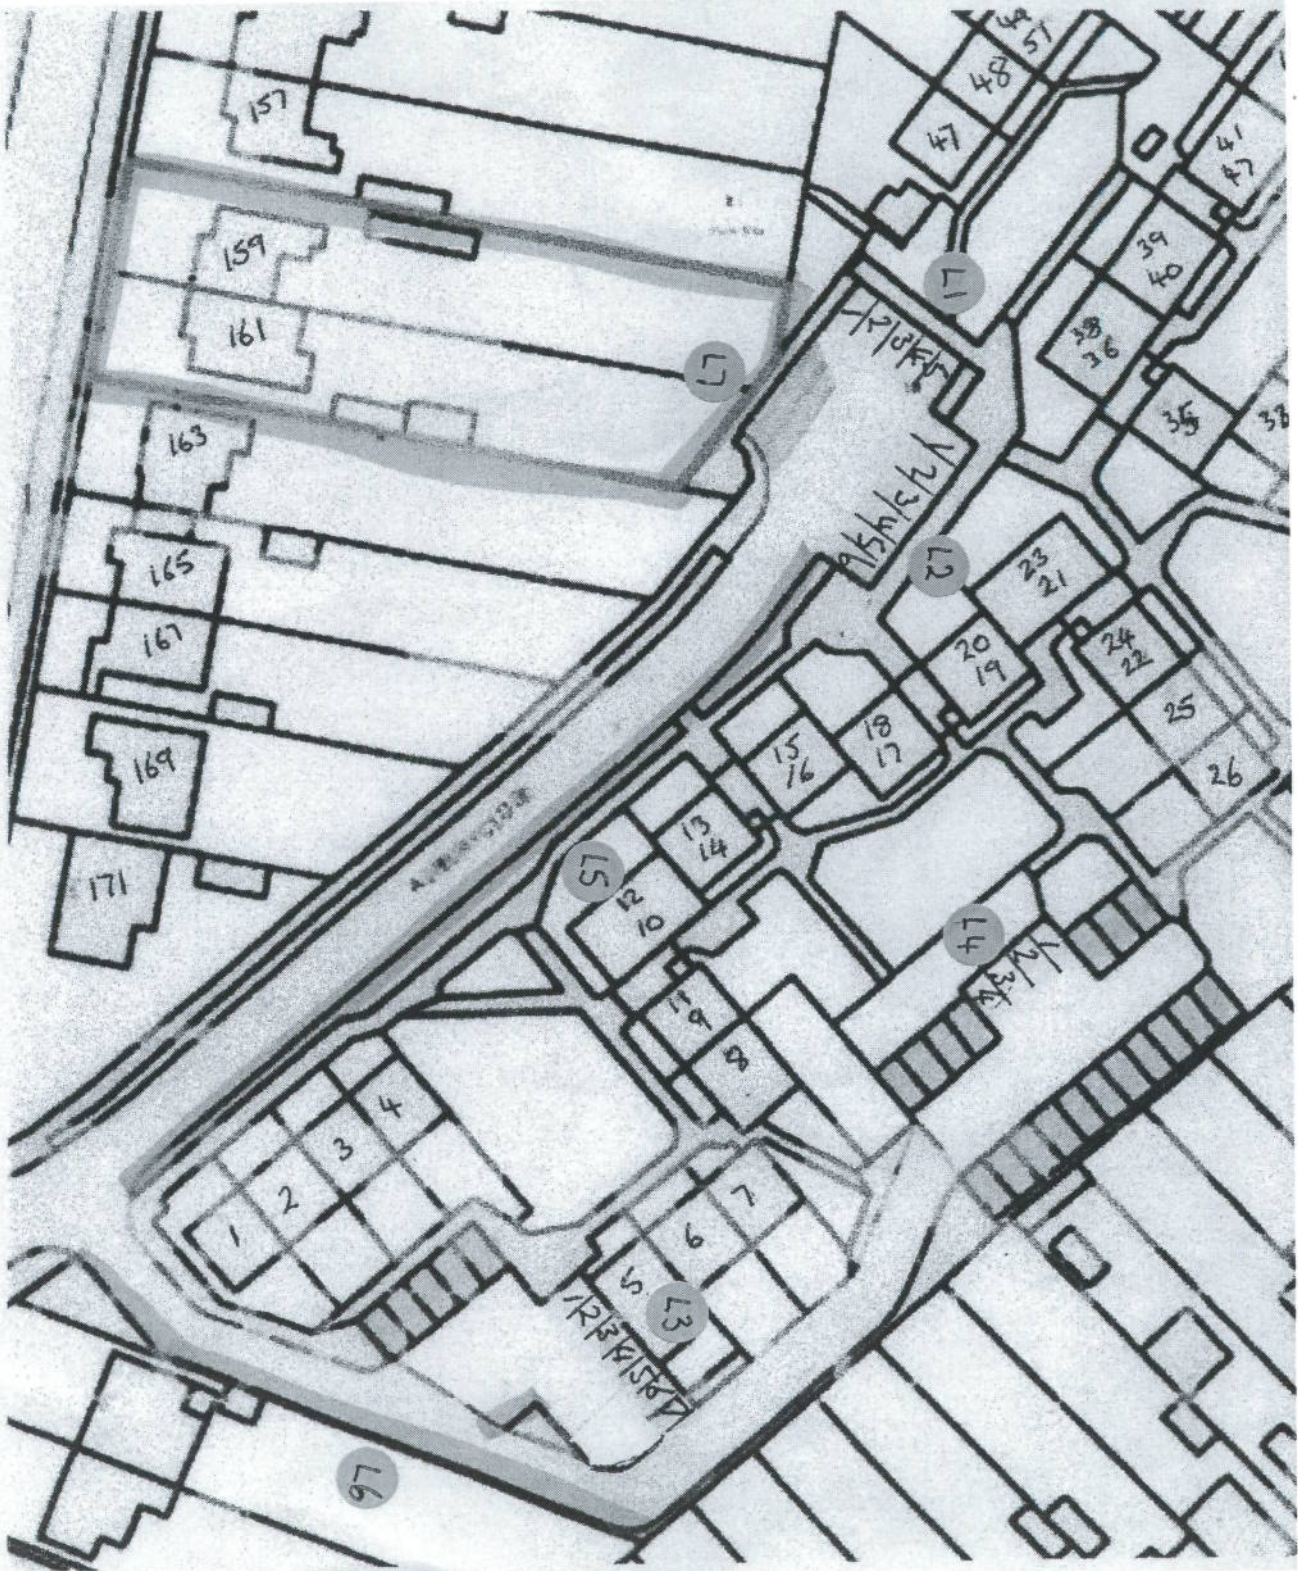

The applicant suggests that the survey demonstrates that there is sufficient car parking capacity within Ashbury Close to accommodate the loss of car parking in the turning head area, in front of the application site.

I am not able to verify the accuracy of the survey. I do not consider that it provides any reason to alter my recommendation.
