

Scheme Number:	13
Scheme Title:	King Street Footway Bollards
Scheme Description:	Installation of bollards in the edge of the footway and adjacent to the carriageway outside Manor Place on a section of King St footway.
Promoted by:	Former Councillor Sarah Whitebread
Ward:	Market
Estimated Budget:	£5000 [£500 EIP £4,500 LHI]
Risks to Delivery:	Subject to positive consultation, the location of utilities and County Council approval.
Further Scheme Information:	This is a very long standing proposal, which is not just to reduce obstruction of the pavement along the stretch of King Street outside Manor Place, particularly near the takeaway at 70, King Street, but also to protect the residential windows, including bedroom windows, at the back of the pavement. Proposal is for a row of bollards at 2 metre centres between the three streetlights in the photograph below.
