

## Appendix 1 – Chart of Sustainable City Grant Applications and Award Recommendations 2014-15

The following recommendations are subject to confirmation of the Council's 2014-15 budget in February 2014 and, in some cases, to the receipt and verification of further information from applicant organisations (this could include projects, programmes, finances, governance etc). The recommendation is for the application purpose unless otherwise stated in italic. No offer is generally due to not meeting the funding priorities and/or eligibility criteria.
