|---|--|--|--|
| Developer Contributions and Devolved Decision Making - First Round Priority-Setting for Play Area Improvement | Alistair Wilson, Streets and Open Spaces Asset Manager | Final update requested when projects out to consultation / delivered | To follow  |
| 13/81/Open Forum (12) Request action from County Council to improve cycle signage in the North Area.          | Councillor Onasanya                                    | Additional updates provided  | <p>Update: Mike Davies, Team Leader - Cycling Projects</p> <p>I have been following the North Area Committee's discussions about cycle signage and lack of clarity etc. Dugald Peebles has been talking to a colleague of mine, and I have given the matter some further thought. It seems to me that to look into this properly is quite a large piece of work, and indeed Cambridge Cycling Campaign and various bloggers have created a large resource of information that we need to review, as well as inspecting on site and comparing with what we believe is shared use and what isn't.</p> <p>I therefore propose to give this 'project' to a new member of staff who is due to start here in March. I would hope that a report with recommendations and details of new signs and markings needed will be ready by July. We will then work with maintenance colleagues to put new signs/markings in place and we'll work to deploy new areas as shared use or indeed to take away shared use provision in other places.</p> |

|   |                            |  |  |
|---|----------------------------|--|--|
|   |                            |  | <p>Where Milton Road is concerned it seems that there are different 'eras' of signage there, and as one scheme has gone in the older scheme has not been reviewed.</p> <p>This probably sounds like a long way away, but at least the whole issue will then be wrapped up and dealt with properly.</p>   |
| 14/9/NAC Open Forum – Request use of enforcement vehicle and penalty notices for pavement parking that causes an obstruction. | County Councillor Onasanya |  | <p>Consultation completed. Results and any further action to follow.</p> <p>8<sup>th</sup> April - Update in respect of the pavement parking, Philip Hammer has advised that Civil Parking Enforcement Powers (legislation under the Traffic Management Act 2004) that the Council use are essentially based around "signs and lines". As such the Police still retain the right to enforce against illegal parking and Mr Hammer has advised that if the Police insist we should address parking where no restrictions are in place, to give them his details and he will clarify the matter with them.</p> <p>His details are as follows: <a href="mailto:Philip.Hammer@cambridgeshire.gov.uk">Philip.Hammer@cambridgeshire.gov.uk</a></p> |
| 14/13/NAC – Investigate who requested the use of CCTV in Green End Road.  | Councillor Pitt            |  | <p>The camera was deployed into the Scotland Rd area between 3rd December 2013 and 25th February 2014 at the request of the police to deal with anti-social behaviour in the area.</p>   |
| 14/13/NAC – Speed awareness courses for 20pmh offences. Who will provide them and will they be offered locally.               | Councillor Ward            |  | <p>Update: There is a local provider of speed awareness courses, and drivers don't have to take them in Cambridge. Details of the company to follow.</p> <p>However whilst national rules allow for speed awareness courses for 20mph violations there is currently no local course set up. Police are investigating what needs to be done to achieve this, and Councillor Ward will report back later.</p>  |
| 14/26/NAC Tree roots opposite Co-op Green End   | Councillor Manning         |  | <p>Investigate progress with remedial work.</p>  |
