**ASSURANCE FRAMEWORK, DRAFT ANNUAL GOVERNANCE STATEMENT
AND DRAFT CODE OF CORPORATE GOVERNANCE 2013/14**

1 INTRODUCTION

- 1.1 The preparation of an Annual Governance Statement (AGS) is necessary to meet the statutory requirements as set out in Regulation 4(3) of the Accounts and Audit (England) Regulations 2011. The AGS covers the Council's governance arrangements for the 2013-14 reporting year and is published as part of the Statement of Accounts.
- 1.2 This report includes the draft AGS and incorporated AGS action plan (presented in **Appendix A**) for the Members of Civic Affairs Committee to review, challenge and advise the Leader and Chief Executive upon accordingly.
- 1.3 This report also identifies progress with the 2012/13 AGS action plan and presents the necessary recommendations for Member approval that will allow the Council as a whole to ensure that the AGS is produced in accordance with CIPFA guidance and therefore meet External Audit requirements.
- 1.4 The Council's Code of Corporate Governance summarises the ways in which the authority directs and controls its functions and relates to its communities. It is reviewed annually.

2 RECOMMENDATIONS

- 2.1 That Members of Civic Affairs Committee:
 - note the arrangements for compiling, reporting on and signing the AGS.
 - critically review the draft AGS and incorporated action plan (**Appendix A**) having regard to the Head of Internal Audit Annual Opinion (earlier on this agenda); and
 - advise the Leader of the Council and Chief Executive on any issues arising from the draft AGS and action plan.
- 2.2 That the Council approves the Code of Corporate Governance (Appendix B) at Full Council on 24th July.

3 BACKGROUND TO THE AGS

Scope of the AGS

- 3.1 Internal control and risk management are recognised as important elements of good corporate governance. The scope of governance, as covered in the AGS, spans the whole range of the Council's activities and includes those designed to ensure that:
- The Council's policies are implemented in practice;
 - High quality services are delivered efficiently and effectively;
 - The Council's values and ethical standards are met;
 - Laws and regulations are complied with;
 - Required processes are adhered to;
 - Its financial statements and other published information are accurate and reliable; and
 - Human, financial and other resources are managed efficiently and effectively.

Arrangements for Compiling the AGS

- 3.2 CIPFA, in conjunction with SOLACE, have produced a framework for delivering good governance in local government. Since 2003/04, responsibility for preparing the AGS rested with Internal Audit and this was performed working to the CIPFA/SOLACE framework.
- 3.3 In December 2010, CIPFA issued its statement on 'The Role of the Head of Internal Audit in Local Government', which states that the Head of Internal Audit should 'set out the framework of assurance that supports the Annual Governance Statement and identify Internal Audit's role within it', but 'should not be responsible for preparing the report.'
- 3.4 Arrangements for compiling the AGS for 2013-14, as last year, have been undertaken by the Head of Legal Services (the Council's Monitoring Officer) in conjunction with the Head of Corporate Strategy and the Principal Auditor.
- 3.5 Assurances from the work of the Internal Audit team relating to 2013/2014 have been reviewed and have been used to inform the AGS and its associated action plan.
- 3.6 One of the key messages coming out of the CIPFA/SOLACE guidance is that good governance relates to the whole organisation and there should be corporate ownership of the AGS and governance arrangements.

Arrangements for reporting on and signing off the AGS

- 3.7 The draft AGS and Action Plan is being presented to the Members of this Committee for them to review and advise the Leader and Chief Executive upon, prior to it being signed off by the Leader and the Chief Executive.
- 3.8 Members are asked to consider the Head of Internal Audit's Annual Opinion, which is presented earlier on this agenda, in their review of the AGS.

4. Progress with the 2012-13 AGS Action Plan

- 4.1 All of the actions included in last year's AGS Action plan have either been completed in full or partially completed as follows:
 - **Budget Setting Forecast** - The actions set out in the action plan drawn up in response to Ernst & Young's report on errors identified in the 2012-13 budget setting forecast have been implemented. New arrangements have been put in place with the Medium Term Financial Strategy being replaced by a Mid-Year Financial Review. Staffing related issues have been addressed and changes have been made to the structure of the Finance Team to separate the role of Section 151 officer from the role of the Director.

Internal Audit have worked with the Finance Team to review these new arrangements and have reported that the new processes appear robust and include all stages/requirements to deliver appropriate financial control. However, as the Council has not yet run through a full financial cycle it has not been possible to verify all of these in a 'live' environment. Internal Audit will undertake further assurance work during 2014-15, as part of the audit plan, to ensure appropriate evidence is in place for all changes to financial arrangements. This will be included as an action in the 2013-14 AGS Action Plan.
 - **Risk Management** – A follow up to the audit of the Risk Management Framework has recently been completed. This concluded that risk management is becoming further embedded across the organisation and the assurance rating was raised from 'limited' to 'significant'. Twice yearly reports are made to the Strategic Leadership Team to update them on the risk management process and the Risk Management Team sends quarterly reports to Directors on their significant and high risks and overdue actions.
 - **Contractor Health & Safety** – The follow up audit of this area has recently been completed to ensure that the agreed actions for documenting checks undertaken on contracts have been implemented. The majority of actions have now been actioned and therefore the assurance rating for this area has been raised from limited to significant.

- **Officer Code of Conduct** - The Officer Code of Conduct was updated last year to provide greater clarity on the acceptance of gifts and hospitality. The updated Code was approved at Civic Affairs last year. Whilst the unions raised no objection to the changes made to the Code, UNISON did raise issues regarding other unrelated aspects of the Code. These have now been agreed and the updated Code will be re-issued shortly.
- **Scheme of Delegations** - Work is in progress to ensure that the Council's Scheme of Delegations is up to date and accurate. A survey of senior officers has been completed to identify areas in which delegations might be improved and a report elsewhere on this agenda identifies areas for action.

4.2 **Appendix A** to this report details the action plan to address significant governance issues during 2014/15.

5. **BACKGROUND TO THE CODE OF CORPORATE GOVERNANCE**

- 5.1 The Council adopted a Code of Corporate Governance on 25 April 2002 and it has been reviewed annually since then.
- 5.2 There are no significant changes to the Code this year. The Code has been revised to ensure that references to supporting plans, policies and procedures are up to date.

6. **CONSULTATIONS**

- 6.1 Key officers have been consulted in compiling the 2013-14 AGS and Action Plan. The draft AGS and Action Plan have been shared with the Council's External Auditors.

7. **CONCLUSION**

- 7.1 The draft AGS and draft Code of Corporate Governance set out the governance framework for the City Council and identify a number of issues where action is planned to improve the level of governance.

Annual Governance Statement

Scope of Responsibility

Cambridge City Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. Cambridge City Council also has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.

In discharging this overall responsibility, Cambridge City Council is responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions, and which includes arrangements for the management of risk.

Cambridge City Council has approved and adopted a Code of Corporate Governance, which is consistent with the principles of the CIPFA/SOLACE Framework *Delivering Good Governance in Local Government*. A copy of the Code is on our website at www.cambridge.gov.uk or can be obtained from the Chief Executive, The Guildhall, Cambridge. This statement explains how Cambridge City Council has complied with the Code and also meets the requirements of the Accounts and Audit (England) Regulations 2011 regulation 4(3), which requires all relevant bodies to prepare an Annual Governance Statement.

The Purpose of the Governance Framework

The governance framework comprises the systems and processes, culture and values by which Cambridge City Council is directed and controlled and its activities through which it accounts to, engages with and leads its communities. It enables the authority to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate services and value for money.

The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Cambridge City Council's policies, aims and objectives, to evaluate the likelihood and potential impact of those risks being realised, and to manage them efficiently, effectively and economically.

The governance framework has been in place at Cambridge City Council for the year ended 31 March 2014 and up to the date of approval of the annual report and statement of accounts.

The Governance Framework

The key elements of the systems and processes that comprise the authority's governance arrangements include:

- The Council's Objectives, which focus the Council's efforts in achieving the vision for Cambridge.
- The Annual Statement, which reiterates the vision and sets out a range of activities the Council will undertake in the year ahead to achieve the vision, and its core underpinning values.
- The Annual Report, which contains information on financial performance and achievement of business objectives as articulated in the portfolio plans.
- The annual budget and service planning process which translates the Council's Objectives into actions at portfolio and operational level.
- The Council's Mid-Year Financial Review, which identifies how the Council will resource its aspirations and plans for any financial risks.
- A Budget Setting Report, which sets out overall spending plans and includes a Treasury Management Strategy Statement, Annual Investment Strategy and Minimum Revenue Provision Policy Statement.
- The arrangements for regular budget monitoring and reporting of significant variances to senior management.
- An independent Internal Audit function with a risk-based audit plan.
- An annual opinion of the Head of Internal Audit on the authority's internal control environment and risk management framework.
- The Council's Constitution, which sets out the decision-making process, the terms of reference for each committee and the roles and responsibilities of Members and officers.
- The Member/Officer protocol, which aids effective communication between officers and Members and clarifies their respective roles and responsibilities.
- Codes of Conduct for Members and officers, which have been formally approved and are reviewed regularly and available to all Members and staff.
- The Council's Civic Affairs Committee, which promotes and maintains high standards of conduct by Members and which has overall responsibility for the Council's compliance with laws and regulations.
- The role of the Council's Civic Affairs Committee, which fulfils the core functions of an Audit Committee as identified in CIPFA's 'Audit Committees – Practical Guidance for Local Authorities'.
- The Council's Prevention of Fraud and Corruption Policy which is in place and reviewed regularly by the Council's Civic Affairs Committee.
- A Register of Interests, which is maintained and reviewed regularly.
- Financial Regulations and Financial Procedure Rules which provide a framework for managing the Council's financial affairs and set out the financial accountabilities and responsibilities for Members and officers.
- A corporate Risk Management Framework, which includes a Risk Management Strategy approved by Members and a comprehensive risk register identifying the key controls and actions required to manage the Council's principal risks.
- The Procurement Policy and Strategy and the Council's Contract Procedure Rules, which set out how the Council will promote effective procurement across the Council.

- The Chief Executive is the Council's Head of Paid Service and the Head of Legal Services is the Council's Monitoring Officer. Their roles and responsibilities are set out in the Council's Articles of the Constitution.
- A 'Whistleblowing' Policy, which is in place and available on the Council's intranet.
- The Council's Complaints Procedure, which is available on the Council's website and the Independent Complaints Investigator who can investigate how the Council has dealt with its complaints.
- The annual complaints report to Civic Affairs Committee, which analyses trends in complaints against the Council and what has been done to address them.

- The new Programme Office, which commissions and monitors projects to implement change and transformation.
- The Citizens' Survey, which is undertaken periodically to gauge the public's perception of Council services, our spending priorities, communication with us and feelings of safety.
- The Code of Corporate Governance, which sets out the ways in which the Council ensures that its business is conducted in accordance with law and proper standards and that public money is safeguarded and properly accounted for.
- A framework to guide the Council's engagement with external partnerships that will ensure the Council's partnerships are accountable and effective.
- The corporate website, residents' magazine and social media channels, which along with other publications and communications provide for informing and engaging residents and other stakeholders in service delivery and policy formulation.
- A Code of Best Practice on Consultation and Community Engagement, adopted by the Council which sets out the Council's approach to consultation.
- Internal quarterly performance reporting against key performance indicators for each service prepared for and presented to the strategic leadership team to consider necessary remedial action.

A new Head of Finance post has been created and this post will fulfil the role of the S151 officer when the new post-holder starts in July 2014. Following the departure of the Director of Resources in February 2014, temporary financial management arrangements have been put in place whereby the S151 officer at South Cambridgeshire District Council has been covering the S151 role for the City Council on strategic financial issues, with the interim Head of Finance providing operational financial advice.

CIPFA's Statement on the Role of the Chief Financial Officer in Local Government (2010) sets out some principles regarding the status of the Chief Financial Officer (also referred to as the "section 151 officer".) The statement says:

"Local authorities are required to have a suitably qualified CFO with certain defined responsibilities and powers. The governance requirements in the Statement are that the CFO should be professionally qualified, report directly to the Chief Executive and be a member of the Leadership Team, with a status at least equivalent to other members. The Statement requires that if different organisational arrangements are adopted the reasons should be explained publicly in the authority's Annual Governance Report , together with how these deliver the same impact."

The staffing structure adopted by the Council in July 2012, and implemented from the beginning of 2014, provides for the new Head of Finance post to be the Chief Financial Officer, reporting to the Director of Business Transformation. Although this is not a director level appointment, and not a direct report to the Chief Executive, organisational arrangements are in place to ensure that the outcomes of the CIPFA governance requirements are met and the Council's auditors were content with the proposals. Whilst line management responsibility will rest with the Director of Business Transformation, the new Head of Finance will be a full member of the Council's Strategic Leadership Team and will report directly to the Chief Executive on financial matters.

Review of Effectiveness

Cambridge City Council has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of the Directors and Heads of Service within Cambridge City Council who have responsibility for the development and maintenance of the governance environment, the Head of Internal Audit's annual opinion, and also by comments made by the external auditors and other review agencies and inspectorates.

The Council's Constitution details Directors' responsibilities for the maintenance of controls within their departments. The system of internal control is subject to regular review by Internal Audit. The work of the service is informed by the Council's risk register, with the allocation of audit resources controlled through an annual risk-based operational plan, which is agreed, annually, by the Council's Civic Affairs Committee.

Individual Internal Audit reports are issued directly to the relevant Director, the Director of Resources (now the Director of Business Transformation), the Leader of the Council and the relevant Executive Councillor. Executive Summaries of Internal Audit reports are circulated to the Chief Executive and the Council's Monitoring Officer to ensure that they are informed of potential areas of non-compliance with legislation. Each audit report contains an independent assurance opinion on the adequacy and effectiveness of the internal controls in place to mitigate risks. Management actions agreed in Internal Audit reports are entered into to the Council's Risk Register and progress on their implementation is reported to and monitored by the Chief Executive and the Strategic Leadership Team.

In addition to these arrangements the Council receives and responds to reports from other review and assurance mechanisms.

The Director of Resources was the Authority's Chief Financial Officer and therefore responsible for the proper administration of the authority's financial affairs up until the end of February 2014. A new Head of Finance post has been created and going forward, this post will fulfil the role of the S151 officer when the new post-holder starts in July 2014. During the interim period, between March and July 2014, the S151 officer at South Cambridgeshire District Council has been covering the S151 role for the City Council on strategic financial issues, with the interim Head of Finance providing operational financial advice.

The Council's Civic Affairs Committee is responsible for advising on and monitoring the Members Code of Conduct and for advising the Council on the ethical aspects of the corporate governance framework. This arrangement replaces the previous responsibilities of the Council's Standards Committee, which was disbanded in July 2012.

We have been advised on the implications of the result of the review of the effectiveness of the governance framework by Civic Affairs Committee and that the arrangements continue to be regarded as fit for purpose in accordance with the governance framework. The areas already addressed and those specifically addressed with new actions planned are outlined below.

Action Plan to Address Significant Governance Issues during 2014-15

	Issue	Action	Target Date	Officer Responsible
1	<p>Budget Setting Arrangements</p> <p>The action plan drawn up in response to Ernst & Young's report on errors identified in the 2012-13 budget setting forecast has been implemented and new budget setting arrangements have been put in place. Internal Audit have worked with the Finance Team to review these new arrangements and have reported that they appear robust and include all stages/requirements to deliver appropriate financial control.</p> <p>However, as the Council has not yet run through a full financial cycle it has not been possible to verify all of these in a 'live' environment.</p>	<ul style="list-style-type: none"> Internal Audit to undertake further assurance work during 2014-15, as part of the audit plan, to ensure appropriate evidence is in place for all changes to financial management arrangements. 2	<p>Governance Arrangements for New Service Delivery Methods</p> <p>The Council is undergoing significant change in the way it delivers some of its services, including the introduction of shared service arrangements in some areas of Council activity, such as the payroll service and the introduction of the City Deal. There is a risk that the Council's interests may not be protected during and after periods of transition.</p>	Internal Audit to undertake a review of the governance arrangements put in place for new service delivery methods and the City Deal to ensure they are sound and protect the Council's interests.	31 March 2015	Head of Internal Audit

	Issue	Action	Target Date	Officer Responsible
3	Discharge of S151 Responsibilities The discharge of S151 responsibilities was last audited in 2007/08. New arrangements for this have recently been put in place which mean that the authority no longer complies with CIPFA's Statement on the Role of the Chief Financial Officer in Local Government (2010). It would therefore be timely to review these arrangements to ensure that all S151 duties are being picked up effectively.	Internal Audit to undertake an independent review of the discharge of S151 responsibilities as part of the annual audit plan.	31 March 2015	Head of Internal Audit

4	<p>Information Security</p> <p>Information Security is a key risk to the Council. A great deal of work has already been undertaken over the last year to try and address this issue, including the establishment of the Information Security Officer Group; the organisation of four Data Protection Workshops across the Council to help inform our processes; and the updating of the Data Protection Policy.</p> <p>Further work needs to be done to help raise awareness across the Council amongst all staff and managers.</p>	Further Data Protection training is to be commissioned for managers and key staff across the Council to meet the specific needs/gaps identified through the Data Protection workshops.	31 March 2015	Strategy Officer
5	<p>Counter-Fraud Arrangements</p> <p>In light of the changes arising from Welfare Reform and in compliance with best practice set out in the Audit Commission's report: 'Protecting the Public Purse', it would be timely to conduct an organisational review of the Council's counter-fraud delivery arrangements.</p>	Undertake a corporate review of counter-fraud arrangements, not only in respect of benefit fraud but for all types of fraud.	30 September 2014	Head of Internal Audit and Head of Revenues & Benefits

6	<p>Member Training</p> <p>In light of the recent changes to the make up of the Council's membership, it would be timely to review the provision of training to Members.</p> <p>CIPFA has recently updated its guidance on best practice for Audit Committees. With the recent changes to the membership of the Council's Audit Committee (Civic Affairs) it would again be timely to review compliance with this.</p>	<p>Review the effectiveness of arrangements in place for providing training to new (and existing) Members.</p> <p>Review compliance with CIPFA's best practice guidance on Audit Committees.</p>	31 March 2015	<p>Head of Corporate Strategy</p> <p>Head of Internal Audit</p>
7	<p>Management of Change & Business Transformation</p> <p>In order to take forward an ambitious change and business transformation agenda, new arrangements have been put in place for the management and delivery of projects.</p>	<p>Review the effectiveness of the new programme office arrangements put in place to manage new projects.</p>	31 March 2015	Strategic Leadership Team

We propose over the coming year to take steps to address the above matters to further enhance our governance arrangements. We are satisfied that these steps will address the need for improvements that were identified in our review of effectiveness and will monitor their implementation and operation as part of our next annual review.

Appendix B - Cambridge City Council - Code of Corporate Governance 2014-15

Review Date: June 2014

A Council's Code of Corporate Governance is

“ the system by which local authorities direct and control their functions and relate to their communities”

Guidance from CIPFA and SOLACE suggests each local authority should have a Code of Corporate Governance based on 6 principles:

- 1 Focusing on the purposes of the authority; on outcomes for the community; and creating and implementing a vision for the local area.
2. Members and Officers working together to achieve common purposes with clearly defined functions and roles.
3. Promoting values for the authority and demonstrating the values of good governance through upholding high standards of conduct and behaviour.
4. Taking informed and transparent decisions which are subject to effective scrutiny and risk management.
5. Developing the capacity and capability of Members and Officers to be effective.
6. Engaging with local people and other stakeholders to ensure robust public accountability.

The Council adopted a Code of Corporate Governance on 25 April 2002. It has been reviewed annually since then. This is the 2014 review. The Council's Civic Affairs Committee will be asked to consider the revised Code and to recommend it to full Council for adoption.

This Code takes each of the principles of good governance in turn and sets out the systems, processes and principles the Council has put in place to ensure good corporate governance.

The Code will be reviewed annually through the Annual Governance statement process, which will identify the actions to be taken to enhance the code or address any limitations with in it.
