

CAMBRIDGE CITY COUNCIL

Record of Executive Decision

Delegation to South Cambridgeshire District Council pursuant to the Local Authorities (Arrangements for the Discharge of Functions) (England) Regulations 2000

Decision of: Executive Councillor for Environmental and Waste Services, Cllr Pitt

Reference: 10/Env/U5

Date of decision: 21.09.10 **Recorded on:** 29.09.10

Decision Type: Non-Key

Matter for Decision: To delegate to South Cambridgeshire District Council the authority to:

1. Take such enforcement action, including prosecution under the Environmental Protection Act 1990, as South Cambridgeshire District Council considers appropriate in relation to offences relating to disposal of waste (see attached confidential Report)

Why the decision had to be made (and any alternative options):

Background

South Cambridgeshire District Council (SCDC) has recently investigated the unlawful deposit of waste in its area. It is intending to prosecute the person responsible ("X") for failing to dispose of the waste to an authorised person or alternatively to an authorised carrier.

SCDC's investigation also concluded that there are sufficient grounds for prosecuting the person who passed the waste to X ("Y"). The transfer of the waste from Y to X took place within the Cambridge City boundary.

As the offences are closely related, the delegation to SCDC will enable them to summons both X and Y before the Magistrates at the same time so that the cases can be dealt with together.

Powers

The City Council has power under the Local Authorities (Arrangements for the Discharge of Functions) (England) Regulations 2000, regulation 7, to delegate the function, which would enable South Cambridgeshire Council to make enforcement decisions and to take such action under the delegation as they consider appropriate.

The Executive Councillor's decision(s):

Pursuant to regulation 7 of the Local Authorities (Arrangement for the Discharge of Functions) (England) Regulations 2000, the Executive Councillor delegated to South Cambridgeshire District Council the power to take such enforcement action against Y, including prosecution under the Environmental Protection Act 1990, as South Cambridgeshire District Council considers appropriate in relation to offences relating to disposal of waste.

Reasons for the decision:

These are explained above.

Scrutiny consideration: The decision was sent to the Chair and spokes of Environment Scrutiny Committee.

Report: Confidential briefing note attached

Conflicts of interest: None
