

Safer City grant scheme: Applications (2007 to 2010)

Appendix A

Year	Project	Aim of Project	Approved / Rejected (with reason)	Capital	Revenue	Evaluated?
2007-2008	Street Games 2007	Engage young people in sport and divert them from involvement in ASB. It is intended to encourage young people referred by the ASB Team, police and the SPLASH project to become qualified sports leaders, thus developing community sports hubs in the city and increasing the volunteer base. The activities will be run in 12 sites identified as hotspot areas for ASB and will run through the summer months.	Approved		£4,900.00	Yes - See Appendix 01
	Take Control	Enable a group of 8 young people with learning difficulties to increase their confidence and self esteem, learn how to act appropriately in different situations, manage their anger and consider the effects of their behaviour on others. The course is intended as a springboard to other Next Steps courses on work skills and connecting with the community.	Approved		£4,713.00	Yes - Full evaluation document available to view, if required
	Columbus Scheme DVD	Produce a DVD that will be aimed at giving advice and information regarding the hate crime reporting system. It is intended for use with other Columbus materials, such as safety guides, posters and lesson plans.	Approved	£2,000.00		No - Staff changes and lack of information made seeking an evaluation not viable.
	Wulfstan Way CCTV	Prevent historic and current ASB and related criminal activities by groups of youth who congregate in the area of the Wulfstan Way shops. The cameras can be relocated at a future date, if appropriate and will be managed by CHS or property services.	Approved	£4,922.20		No - Original papers misfiled.
	Prudential 4 Youth - Cambridge ISay Yes! Challenge	Introduce the concepts of enterprise and citizenship in young people in Cambridge by focussing on ASB and how it affects young people and adults. To investigate the causes and social impact of ASB and theft in and around the Grafton Centre, and identify potential courses of action to remedy current ASB issues.	Rejected - Project sought a grant for student handbooks, launch/finals events, case study printing and prizes. Costs deemed inappropriate and too high, given the work undertaken by the Community Development Team and the police.	£4,200.00		
	Next Generation - Urban Music & Video Project	Work with young people, mainly young men, to reduce their involvement in common assault, ASB and cycle theft by engaging them in positive diversionary activity, centred around music and video production.	Approved		£4,714.00	Yes - See Appendix 02
	Cambridge Business Against Crime (CAMBAC)	Set up costs for CAMBAC including costs for night time disorder officer	Approved		£5,000.00	Yes - See Appendix 03
	City Wide Girls Work Project	Get 4 girl groups together to produce a calendar on tackling issues that face young women in Cambridge.	Rejected - Uncertain how successful the outcome of the project would be.		£2,625.00	
	Winter Escape	Organise and run 2 x 3-day residentials for children and young people on the theme of community cohesion	Approved		£4,000.00	Yes - See Appendix 04
	Columbus Scheme Info Packs	Produce around 5,000 information guides for foreign students on a wide range of community safety topics, including personal safety tips, emergency contact numbers and advice lines.	Approved	£1,380.00		No - Staff changes and lack of information made seeking an evaluation not viable.
	Contribution to DV Co-ordinator Post	Contributory amount to the County Council's DV Project Coordinator post for 2007/08.	Approved		£6,000.00	No - Contributions now factored into mainstream funding.

Skills 4 Sport	Develop 'free to join' multi-sport clubs at four sites (Manor, Netherall, St Bedes and the Leys Sports Centres) around the City for 12-15 year olds, being the target age group for the newly formed Cambridge Sport Network. The project would offer sports coaching, by trained coaches and youth workers, at a time of day when young people are causing anti-social behaviour (ASB). There will be 40 weeks of coaching per year per site. It is expected that around 40 young people per site each week will attend. The funding is a contribution towards the costs of the sports coaches and facility hire.	Approved		£4,950.00	Yes - See Appendix 05
Ravensworth Gardens Fencing Improvements	Increase height of fence and gates around Ravensworth Gardens recreation area.	Rejected - Withdrawn by applicant prior to consideration, due to lack of quotes and thought put into application.	£16,000.00		
Ravensworth Gardens CCTV	Prevent abuse of the Ravensworth Gardens area at night from anti-social behaviour, including underage drinking and rough sleeping, and the vandalism of play equipment by the installation of a 'stand alone' CCTV camera. A mobile CCTV system temporarily assigned to cover Ravensworth Gardens resulted in a significant drop in the number of reported incidents.	Approved	£5,000.00		Yes - See Appendix 06
Youth Service Motorbike Project	Have a positive impact on young "hard to reach" people in the 13-17 age group involved in anti-social behaviour, by providing a hands-on mechanics course focussing on motorbikes, as well as legal issues and personal responsibility. The course would lead to appropriate certification and accreditation. The project will also contribute towards reducing vehicle-related offending within this age group by offering safe and supervised access to motorbikes, although the project would not include the riding of motorbikes, save for a one-off session to the Gauntlet Motor Project at Ramsey. Land use at a farm in Hildersham has already established and this part of the Project has already been brought up to Cambridgeshire County Council standards with regards safety and insurance. The funding sought will purchase a crewcab van with seating for six young people and two staff, as well as a separate secure load area for transporting motorbikes and provide running costs for the first year.	Approved	£6,000.00	£1,600.00	Yes - See Appendix 07
Cherry Hinton High Street CCTV	Install a CCTV camera in the Cherry Hinton High Street and link this in with the Cambridge City Council CCTV Control Room in order to tackle anti-social behaviour in the area. The project will be co-sponsored with Cambridge City Council, Tesco and Lloyds-TSB and funding is sought as a one-third contribution towards the £10,600 capital costs of the camera and the annual £1,000 running cost.	Approved	£3,533.00	£333.00	No - But see Appendix 08 - Cambridge News item 20/07/2009
The Hysteria Story	A group of young women will get together to produce a film reflecting and exploring their cultural identity.	Rejected - Insufficient revenue funds following approval of applications during previous round of bids. Due to nature and timing of project, it could not await following year's budget allocation.		£4,171.00	

Safety at Lifecraft Door Lock	Reduce the risk of violent incidents, crime and ASB in the area of Bath House on Mill Road and to protect Lifecraft members, equipping them with the knowledge and skills to enable them to deal with aggressive behaviour. Lifecraft provides support and counselling to adults with mental health needs. The grant sought will provide a remote door release mechanism for the front door of Bath House.	Approved	£625.00		No - Thank you e-mail from Lifecraft dated 08/10/2008
Cambridge Cycle Parking Guide	Provide a simple 8-12 page guide for developers and existing site owners about how to provide secure cycle parking, to encourage them to do so where there are no existing facilities or to upgrade inadequate facilities. Developers are currently failing to meet Cycle Parking Standards and existing guides are often over-complex or not Cambridge-specific. The guide could be used by the City Council and police. The grant sought would cover research, photography, layout, printing and distribution.	Approved	£3,500.00		Yes - See Appendix 09
Homerton Children's Centre Lighting	Purchase 4/5 low-level 'PIR' style lights and install them along the pathway leading to the Homerton Children's Centre in order to provide safe access to the Centre for users of the Centre (including parents and children) and the detail anti-social behaviour, crime and the fear of crime. The Centre will work with the City Council on the installation of the lights and will maintain them independently.	Approved	£4,857.00		Yes - See Appendix 10
Reducing Cycle Crime in Cambridge	Purchase pedal cycles and GPS-based covert tracking equipment in order to help identify thieves and handlers of stolen pedal cycles. Full details of the application cannot be given due to the covert nature of the operation (Operation Cyclone). A grant of £5,000 provided under the 2007/08 Safer & Stronger Communities Fund to purchase similar equipment saw a 10 % reduction in pedal cycle-related crime within 6 weeks. This project will contribute towards the Cambridge Community Safety Partnership's seasonal targeted campaign to reduce pedal cycle theft, which is planned for 2008/09.	Approved	£4,790.00		Yes - See Appendix 11
Hulatt Road Lighting Improvements	Purchase a lighting column for the Hulatt Road area in order to provide additional lighting and reduce the crime and the fear of crime for the elderly residents in the area. Cambridgeshire County Council have already agreed to fund 50% of the purchase of the column and fund the maintenance costs.	Approved	£1,100.55		Yes - See Appendix 12
Anstey Way Improved Security	Increase the level of the fencing around a previously installed six-foot iron gate leading to the rear of Anstey Way, where elderly residents live. The Cambridgeshire Constabulary's Community Safety Unit has raised the current fencing as an issue. The City Council has already agreed to fund the maintenance costs for the fencing.	Approved	£695.00		Yes - See Appendix 13

	Boxing for Life	Purchase boxing equipment for use by 13-18 year olds involved in violence and anti-social behaviour relating to alcohol and drugs misuse, in order to curb violent behaviour. It is anticipated that 20 young people will be trained initially during the first year. Romsey Mill staff involved will be liaising with the Icen Boxing Club in Hardwick.	Approved	£568.00		Yes - See Appendix 14
	Urban Music	Purchase additional microphones and associated audio equipment for the studio at Romsey Mill. The studio is utilised by young men and women aged 14-20 who have a history of anti-social and violent behaviour, to channel their frustration through lyrics and music, increasing their literacy skills and self-esteem. It is anticipated that up to 30 young people a year will benefit from this funding.	Approved	£429.00		Yes - See Appendix 15
<b>2008-2009</b>	Summer Escape	Organize and run 4 x 3-day camping residentials (including exercises and workshops) for approximately 48 9-15 year olds who live in targeted ASB hotspot areas, on the theme of "Being Safe" (i.e. how their behaviour impacts upon them and the people around them).	Approved		£4,950.00	Yes - See Appendix 16
	Abbey Football Outreach	Engage 14-19 year olds from the Abbey Ward in outreach / diversionary work involving football (5-a-side football sessions at the MUGA near Abbey Pool) and other sports activities (possibly involving a residential trip).	Rejected - Project conflicted with other similar Council projects and there was a lack of evaluation of previous projects			
	Pink Festival - Theatre Workshops & Performance	Provide a series of theatre workshops culminating in a topical theatre performance on alcohol-related violence, as part of the Pink Festival 2008.	Rejected - Project sought costs that did not meet Safer City criteria and was better sought through sponsorship			
	Pink Festival - Stewarding	Create a safe environment at the Pink Festival 2008 through SIA-registered stewarding and drink-aware promotions.	Rejected - Stewarding costs not appropriate to Safer City grant scheme			
	Safety at Lifecraft Workshops	Provide a series of training workshops for 18 members of staff and regular visitors to the centre, including understanding drugs and alcohol, personal safety, dealing with aggressive behaviour. The workshops aim to reduce the risk of violent incidents from street life and addicts and equip staff and members with the knowledge and skills to tackle aggressive behaviour.	Approved - Administration/management costs deleted		£2,500.00	Yes - See Appendix 17
	East Chesterton ASB Forum	Bring together the community, police, City Council and Housing Associations at meetings and provide activities for targeted groups of children and young people.	Rejected - Application not supported by evidence and ill thought out			
	Jack Warren Green CCTV	Install CCTV at Jack Warren Green	Rejected - Application lodged by an individual - Matter referred to Granta Housing			

Mediation Drop-in Sessions	Set up Mediation Drop-In sessions across Abbey and Kings Hedges wards to give local residents easy access to dispute resolution and encourage them to use CMS; and to increase multi-party mediation opportunities in both wards by working with groups of people who are experiencing anti-social behaviour within their neighbourhood. Increasing proactive work of the mediation of the service to improve knowledge. CMS would also use funding to facilitate multi-party meetings in order to identify neighbours who would be willing, with the support of the mediators, to represent the group and to meet with the individual or the family alleged to be causing the ASB.	Approved	£497.42	£4,496.50	Yes - See Appendix 18
Breaking Cycles of Deprivation Project	Offer additional counselling, family therapy and group work sessions to identified clients who present with histories of offending or victims of domestic violence.	Rejected - Project conflicted with service provided by Victim Support			
Cam Sight Security Project	Erect a gate at the entrance to the drive leading to Cam Sight's premises and its car park. As the car park is partly secluded, it has been noted that ASB occurs as well as theft of lead from the roof of their premises. Both their insurance company and Cambridgeshire Constabulary have suggested that gating the drive may lead to the reduction of crime and ASB on the premises.	Approved	£870.44	£162.12	Yes - See Appendix 19
Small Print Cyber Bullying Project	Design and produce 5,000 "Small Print" guides on Cyber Bullying aimed at 10-14 year olds. It is planned to launch the guide during Anti-Bullying Week in November.	Approved		£4,950.00	Yes - See Appendix 20
Next Steps: The Drop-In	Provide a weekly forum primarily for people with learning difficulties in order to raise awareness, socialize, share experiences and receive support. Four volunteers with learning difficulties will run the service, assisted by support staff, and provide services for around fifteen people each week. Themed "Drop-Ins" will cover those Priorities advised, with help from local community groups and agencies, such as the police and City/County Councils. The grant will pay for project worker costs, volunteer T&S, volunteer training, external professionals and materials, venue hire, office administration, other professional fees, and management and supervision costs.	Rejected - Application sought running costs for an existing project			
Safer Homes, Safer Roads	Initiate a Neighbourhood Watch (NHW) scheme, mainly for the elderly residents in the area, and to help address the anti-social speeding by motorists along the road (used as a "rat run"). The grant is to pay for 6 x NHW signs, 4 x newsletters and invitations to publicise local meetings and campaigns. No funding is sought for the anti-social speeding ("20's plenty") placards/posters.	Approved - NHW scheme already up and running		£84.00	Yes - See Appendix 21

Cambridge Safe & Legal Cycling Campaign	Achieve a balance between ensuring that the law is enforced while promoting safe and responsible cycling; by purchasing and distributing cycle lights in a series of "actions days". The grant will be used to purchase 300 lights at £10 per set (normally £21.99). These lights will be issued along with an FPN for those cycling after dark without lights on their bike	Approved	£2,978.72		Yes - See Appendix 22
Marketing the Cambridge Community Alcohol Partnership	Contribute towards the costs of publicising the CAP, via leaflets, posters and a website. The CAP will increase awareness amongst young people, parents and the general community of the harms to health and society of underage drinking. Focus will start in Petersfield, Romsey and Coleridge wards.	Approved		£4,505.00	Yes - See Appendix 23
Big Issue Outreach & Development	Contribute towards the costs of establishing joint working between Wintercomfort and Big Issue following a funding and personnel restructure. The grant of £3,000 is towards the £26,610 costs for Wintercomfort Reception (37.5hrs/week) and a Big Issue Outreach Worker (14hrs/week). Project is backed by Cambridge City Council and Cambridgeshire Constabulary.	Approved		£3,000.00	Yes - See Appendix 24
Taxi Marshal Project	Pay for a pilot scheme using three security staff (provided by Hyline Security) to patrol the St. Andrew's/Sidney Street taxi rank and immediate area during the run up to Christmas and New Year. This area (especially the taxi rank) is known as a hot spot for alcohol-related violence during this period and is not adequately covered by police and/or CCTV.	Approved		£2,491.30	Yes - See Appendix 25
Cambridge Street Pastors	Design, launch and manage a Street Pastors scheme in Cambridge. Training volunteers will provide a reassuring presence on the streets during the night and provide help and advice to young people. The grant will contribute towards the costs of uniforms and equipment (capital) and publicity and training (revenue).	Approved	£3,247.00	£1,753.00	No - Full evaluation of scheme due September 2010
