Reason: In accordance with the requirements of section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the approved plans as listed on this decision notice.

Reason: In the interests of good planning, for the avoidance of doubt and to facilitate any future application to the Local Planning Authority under Section 73 of the Town and Country Planning Act 1990.

3. Except with the prior written agreement of the local planning authority no construction work or demolition shall be carried out or plant operated other than between the following hours: 0800 hours to 1800 hours Monday to Friday, 0800 hours to 1300 hours on Saturday and at no time on Sundays, Bank or Public Holidays.

Reason: To protect the amenity of the adjoining properties. (Cambridge Local Plan 2006 policy 4/13)

Reason: Due to the proximity of residential properties to this premises and that extensive refurbishment will be required, the above conditions are recommended to protect the amenity of these residential properties throughout the redevelopment in accordance with policies 4/13 and 6/10 of the Cambridge Local Plan (2006)

5. No development shall take place until samples of the materials to be used in the construction of the external surfaces of the development hereby permitted have been submitted to and approved in writing by the local planning authority. Reason: To ensure that the appearance of the external surfaces is appropriate. (Cambridge Local Plan 2006 policies 3/4, 3/12 and 3/14)

6. Details of the specification and position of fencing, or any other measures to be taken for the protection of any trees from damage during the course of development, shall be submitted to the local planning authority for its written approval, and implemented in accordance with that approval before any equipment, machinery or materials are brought onto the site for the purpose of development (including demolition). The agreed means of protection shall be retained on site until all equipment, and surplus materials have been removed from the site. Nothing shall be stored or placed in any area protected in accordance with this condition, and the ground levels within those areas shall not be altered nor shall any excavation be made without the prior written approval of the local planning authority.

Reason: To protect the visual amenity of the area and to ensure the retention of the trees on the site. (Cambridge Local Plan 2006 policies 3/4, 3/11, 3/12 and 4/4)

7. No development shall take place until full details of both hard and soft landscape works have been submitted to and approved in writing by the local planning authority and these works shall be carried out as approved. Soft Landscape works shall include planting plans; written specifications (including cultivation and other operations associated with plant and grass establishment); schedules of plants, noting species, plant sizes and proposed numbers/densities where appropriate and an implementation programme.

Reason: In the interests of visual amenity and to ensure that suitable hard and soft landscape is provided as part of the development. (Cambridge Local Plan 2006 policies 3/4, 3/11 and 3/12)

8. No development shall take place until there has been submitted to and approved by the local planning authority in writing a plan indicating the positions, design, materials and type of boundary treatment to be erected. The boundary treatment shall be completed in accordance with a timetable agreed in writing with the local planning authority. Development shall be carried out in accordance with the approved details.

12. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any order revoking and re-enacting that order with or without modification), no windows or dormer windows other than those expressly authorised by this permission shall be constructed.

Reason: To protect the amenity of adjoining properties. (Cambridge Local Plan 2006 policies 3/4 and 3/14)

13. No unbound material shall be used in the surface finish of the driveway within 6 metres of the highway boundary of the site.

Reason: To avoid displacement of loose material onto the highway in the interests of highway safety. (Cambridge Local Plan 2006, policy 8/2)

14. Notwithstanding the provision of Class A of Schedule 2, Part 2 of the Town and Country Planning (General Permitted Development) Order 1995, (or any order revoking, amending or re-enacting that order) no gates shall be erected across the approved access unless details have first been submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of highway safety. (Cambridge Local Plan 2006, policy 8/2)

15. The access shall be constructed with adequate drainage measures to prevent surface water runoff onto the adjacent public highway, in accordance with a scheme submitted to and approved in writing by the Local Planning Authority, in consultation with the Highway Authority.

16. The manoeuvring area shall be provided as shown on the drawings and retained free of obstruction.

Reason: In the interests of highway safety. (Cambridge Local Plan 2006, policy 8/2)

INFORMATIVE: The applicant is advised that a Traffic Regulation Order will be required in order to relocate the on-street parking bay.

INFORMATIVE: The applicant is advised that the residents of the new dwelling will not qualify for Residents' Permits (other than visitor permits) within the existing Residents' Parking Schemes operating on surrounding streets

INFORMATIVE: New development can sometimes cause inconvenience, disturbance and disruption to local residents, businesses and passers by. As a result the City Council runs a Considerate Contractor Scheme aimed at promoting high standards of care during construction. The City Council encourages the developer of the site, through its building contractor, to join the scheme and agree to comply with the model Code of Good Practice, in the interests of good neighbourliness. Information about the scheme can be obtained from The Considerate Contractor Project Officer in the Planning Department (Tel: 01223 457121).

This decision notice relates to the following drawings: **SRC 220, SRC 221, SRC 223 A, SRC 224 A and SRC 225 C.**

It is important the development is carried out fully in accordance with these plans. If you are an agent, please ensure that your client has a copy of them and that they are also passed to the contractor carrying out the development. Copies of the approved plans are kept on the planning application file.

It is important that all conditions particularly pre-commencement conditions are fully complied with, and where appropriate, discharged prior to the implementation of the development. Failure to discharge such conditions may invalidate the planning permission granted. The development must be carried out fully in accordance with the requirements of any details approved by condition.

This decision notice does not convey any approval or consent which may be required under any enactment, bye-law, order or regulation other than Section 57 of the Town and Country Planning Act 1990.

Your attention is specifically drawn to the requirements of the Chronically Sick and Disabled Persons Act 1970, the Disabled Persons Act 1981, to the British Standards Institution Code of Practice for Access for the Disabled to Buildings (BS 5810 1979), to Part M of the Building Regulations 1991, and to BS 5588 Part 8 1988 (Code of Practice for means of escape for disabled persons). The development should comply with these requirements.

Please note: On-street parking controls, including residents' parking schemes, are in operation in several parts of the City of Cambridge. There are restrictions on eligibility for residents' parking permits, even for residents within the areas covered by schemes. Implementing a planning consent can remove eligibility for a permit. The County Council can advise whether or not properties qualify for a Residents' Parking Permit. If in doubt, please contact Cambridgeshire County Council, Cambridgeshire Parking Services by telephoning (01223) 727920 or by e-mailing parkingpermits@cambridgeshire.gov.uk, mentioning this planning consent. Please also be aware that the criteria for granting parking permits may change from time to time.

PLANNING PERMISSION

1. Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development' or to grant permission subject to conditions, then you can appeal to the First Secretary of State under section 78 of the Town & Country Planning Act 1990.

If you want to appeal then you must do so within 6 months of the date of this notice or within 12 weeks of the date of the decision notice against a refusal of any householder or minor commercial planning application, using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or from www.planningportal.gov.uk/pcs

The Secretary of State can allow for a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, he does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

2. Purchase Notices

If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been, or would be permitted. In these circumstances, the owner may serve a purchase notice on the council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town & Country Planning Act 1990.

LISTED BUILDING CONSENT, CONSERVATION AREA CONSENT

3. Notification of Demolition

If listed building consent has been granted and any demolition is to take place, you must in accordance with Section 8(2)(b) of the Planning (Listed Building and Conservation Areas) Act 1990 complete a Final Notice of Demolition Form and send it to English Heritage at least one month before demolition occurs.

4. Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse listed building or conservation area consent, or to grant either subject to conditions then you may appeal to the Secretary of State for the Environment in accordance with sections 20 and 21 of the Planning (Listed Building and Conservation Areas) Act 1990. Appeals must be made within 6 months of the date of the decision (see notes under 1 above).

5. Purchase Notice

If listed building or conservation area consent is refused, or if either is granted subject to conditions, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the District Council in which the land is situated a purchase notice requiring the council to purchase his interest in the land in accordance with section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

6. Compensation

In certain circumstances a claim may be made against the local planning authority for compensation as provided for under Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.

CONSENT TO DISPLAY AN ADVERTISEMENT

7. Appeals to the Secretary of State

If you are aggrieved by the decision of the local planning authority to refuse consent to display an advertisement, or to grant consent subject to conditions then you may appeal to the Secretary of State for the Environment under Regulation 15 of the Town and Country Planning (Control of Advertisements) Regulations 1992. Appeals must be made within 8 weeks of the date of the decision (see notes under 1 above)
