Committee	North Area Committee
Date	18 Dec 14
Circulated on	
Updated on	Jan 15

ACTION	LEAD OFFICER/MEMBER	TIMESCALE	PROGRESS
<p><u>TREES</u></p> <p>Trees on Milton Road affected by the bus route & 14/73/NAC</p> <p>Tree replacement plan Milton Road and Gilbert Road</p> <p>Loss of trees on Carlton Way.</p>			<p>Added to the Action Sheet at the request of Councillor Pitt – and with the agreement of the committee on 3 July 2014.</p> <p>Update from Cllr Bick (at 18 December 2014).</p> <p>Update 18 Dec 2014 Cllr O'Reilly Cllr O'Reilly read a statement from the Tree Officer, a copy of which can found in the minutes of this meeting.</p> <p>Cllr O'Reilly agreed to update the Committee on a full update of the tree replacement programme for Milton Road and Gilbert Road</p> <p>Cllr O' Reilly to investigate why a number of trees of Carlton Way have died and if / when they are to be replaced.</p>
<p>Developer Contributions and Devolved Decision Making - First Round Priority-Setting for Play Area Improvement</p>	<p>Alistair Wilson, Streets and Open Spaces Asset Manager</p>	<p>Final update requested when projects out to consultation / delivered</p>	<p>Update 18 Dec 2014 Cllr O'Reilly Chestnut Grove and Perse Way: Tenders have sent and quotations should be received by the end of December for work to be completed by July 2015.</p>
<p>13/81/Open Forum (12) Request action from County Council to improve cycle signage in the North Area.</p>	<p>Councillor Onasanya</p>	<p>Additional updates provided</p>	<p>Cllr Onasanya has requested that proposals be put on an open forum so members of the public's opinions can be received on the proposals before they go ahead - a further oral update will be given at the NAC meeting on 12 February 2015. - Also see related Agenda item.</p>

<p>14/13/NAC – Speed awareness courses for 20pmh offences. Who will provide them and will they be offered locally.</p>	<p>Councillor Ward</p>		<p>Update: This matter would remain on the action sheet to allow Officers to discuss the matter further with the Police.</p> <p>There is a local provider of speed awareness courses, and drivers don't have to take them in Cambridge. Details of the company to follow.</p> <p>However whilst national rules allow for speed awareness courses for 20mph violations there is currently no local course set up. Police are investigating what needs to be done to achieve this, and Councillor Ward will report back later - On-going</p>
<p>14/26/NAC - Tree roots opposite Co-op Green End Road causing trip hazard</p>	<p>Councillor Manning</p>		<p>Update: Additional tree has been added to the list for remedial work but the item is still on-going.</p> <p>Further update: given the cost and the fact that there is now an EIP in that area, and a project I have got added to the Northern Area Corridor Transport Plan pot, it will be done as part of one of these. Officers have confirmed this won't affect either project (in terms of adding extra cost or stopping elements from being done).</p> <p>Update 5 Dec 14 Cllr Manning : Initial site visit completed and this matter will be included in a wider feasibility study of the area.</p> <p>Update 15 Dec 2014 Cllr Manning: Work has been delayed but the issue is still ongoing.</p> <p>Update 20 Jan 2015 Cllr Manning: Feasibility study still being written.</p>
<p>ADDITIONAL ACTION – missed off from meeting on 3 July 2014</p> <p>14/56/NAC Open Forum – Progress on the safety assessment for the junction</p>	<p>Councillors Kevin Price and Mike Todd Jones</p>		<p>Update from Cllr Onasanya:</p> <p>I have been informed that although there are currently 88 cluster sites in Cambridgeshire (excluding trunk roads and Peterborough), of which 51 are within the City of Cambridge, this junction is not part of an accident cluster site.</p>

<p>between Milton Road and the new development between Milton Road and Woodhead Drive</p>			<p>During the current cluster site period (Jan 2011 – end December 2013) one injury accident was recorded at the junction. This involved a cyclist filtering along the inside of a line of traffic colliding with a moped that was turning right into the junction.</p> <p>The records also show an injury accident in 2009, this occurred when a learner driver stalled at the junction and was hit from behind by the following vehicle. However, there is no record of a safety audit being carried out on the junction design.</p> <p>I have been informed it is believed that construction predated the start of the safety audit process in Cambridgeshire in 1997.</p> <p>Additionally, the Lead Engineer Road Safety Team Local Infrastructure and Street Management have advised they are unaware of any physical changes to the junction layout in the intervening period that would have required a safety audit.</p> <p><u>Update Nov 2014</u> This it is a planning issue the City Councillors are now looking into it. Additionally, the original area specified was not actually correct and as such the reply given was not therefore accurate.</p> <p><u>18 December 2014.</u> No update given – Cllr Price to provide an update at the next NAC committee on 2 February 2014.</p>
<p>14/66/NAC</p> <p>Update on Mitcham's Corner development</p>	<p>Suggested by Committee 28.08.14</p>		<p>Ongoing as related to the City Deal.</p>
<p>14/66/NAC</p> <p>Update on bid for Tesco Express in East Chesterton</p>	<p>Suggested by Committee 28.08.14</p>		<p>Update October North Area Committee Cllr Manning – this matter has gone to Committee. Cllr Bird – sent an email and awaiting a reply</p>

			<p><u>18 December 2014.</u> No update given – Cllr Bird to provide an update at the next NAC committee on 12 February 2014. <u>Update from Cllr Bird</u> I've spoken to Highways and the area around Tesco's would be best to leave it's as it is.</p>
<p>14/65/NAC</p> <p>Parking restriction in De Freville area and impact around Milton Rd Library</p>	<p>Cllr Scutt</p>		<p><u>18 December 2014, Cllr Scutt</u> Regarding Parking Restrictions steps have been taken to place double yellow on the corners of all the inter sections Milton Road. County Council have appointed an Officer to look at parking in Cambridge and the problems that residents experience to determine safe parking.</p> <p>Would investigate the possibility of four hour parking restrictions in this area as requested by Mr Sergeant at the December meeting.</p> <p><u>3Feb 2015 Update Cllr Scutt</u> From County Officers: With regards to Milton Road Library parking, whilst it would not be permissible to restrict a parking space solely for library use, the County can restrict the duration of stay to say one hour to prevent long term parking and introduce some turn-over of vehicles utilising the parking bay.</p> <p>This would involve an amendment to the traffic regulation order (TRO) and the installation of additional signage, so there would be a cost associated with this work which would need to be borne by a third party - that is residents or need to secure funding from alternative sources.</p>

<p>14/68/NAC</p> <p>Update on traffic flow disruption to Milton Rd as a result of new station development</p>	<p>Chair suggested update at future meeting</p>		<p>Update October North Area Committee Work is currently 2 to 3 weeks behind schedule and was expected to be completed by the end of January.</p> <p>18 Dec 2014, Cllr Manning Work should be completed in three to four weeks. Will provide update at meeting.</p>
<p>14/69/NAC</p> <p>Implementation of New York traffic schemes methodology.</p>	<p>Councillor Manning suggested that he update on this at a future meeting</p>		<p>Ongoing.</p>
<p>14/73/NAC</p> <p>Verge parking</p>	<p>Cllr Todd-Jones</p>		<p>18 Dec 2014, Cllr Todd-Jones Confirmed that a letter had sent letter to Dr Julian Huppert MP, requesting support on this matter, but a follow up letter would be sent.</p> <p>Update from County Council (via Councillor Onasanya)</p> <p>A PCN can only be issued where a Traffic Regulation Order is in place and is accompanied by the relevant signs.</p> <p>We can issue PCNs for vehicles parked on the footway when they are adjacent to waiting restrictions on the carriageway as these apply from the centre of the carriageway to the building line which includes paths and grass verges.</p> <p>The police have various powers to enforce vehicles parking on the pavement where they are causing an obstruction and recently PCSO's have been given extra powers which allows them to issue Traffic Offence Reports.</p> <p>When requesting action from the police I would advise people to e-mail their local community police team rather than call 101.</p>
<p>14/73/NAC</p> <p>Parking problems in Buchan</p>	<p>Cllr Price to investigate</p>		<p>Reply from the Neighbourhood Community Development Manager (2nd</p>

Street			<p>December 2014)</p> <p>There is limited parking in the car park at the moment because of the building site and the contractors parking their vehicles and the fact that we are still open to community groups. So I can appreciate there will be some overspill at the moment .Hoping that this will become less of an issue in the new year when we are 'back to normal ', but it is something that we will keep an eye on".</p> <p>18 Dec 2014, Cllr Price.</p> <p>There is limited parking because of contractors parking their vehicles .But once the works have been completed the Community Development Officer will keep an eye on the situation.</p>
14/74/NAC Progress with Chesterton Sports Pavilion	Urban Growth Project Manager		<p>18 Dec 2014, Cllr Todd Jones.</p> <p>There will be a more detail update on this item from the Urban Growth Project Manager, Tim Wetherfield, when the Committee will look at the third round priority setting. Planning Permission was received on 4 December and work should start on site in March 2015.</p>

Agenda Items Suggested by the Public and, as yet, not delivered

1. Invite County Council Officers/Members to comment on Highway repairs.
2. Discussion on pavement damage/repairs including problems with tree roots.
