HOUSING PORTFOLIO PLAN 2015-16 Key Decision

1. Executive summary

1.1 This report covers the Housing Portfolio Plan 2015-16, which sets out the strategic objectives for the portfolio for the year ahead, describes the context in which the portfolio is being delivered and details the activities required to deliver the outcomes and the vision. Performance measures and risks are also shown for each strategic objective.

2. Recommendations

2.1 The Executive Councillor is recommended:

To approve the Housing Portfolio Plan 2015-16

3. Background

3.1 This is the fifth year in which Cambridge City Council has produced Portfolio Plans. The aim of the Portfolio Plans is to set out how each of the seven Portfolios will contribute to the delivery of the vision outlined in the Council's vision statement.

3.2 The Housing Portfolio Plan for 2015-16 has been developed by officers and the Executive Councillor, in parallel with the budget planning process. The Housing Portfolio Plan for 2015-16 sets out a limited number of high-level, strategic objectives for the Portfolio, along with the broad activities required to achieve these objectives.

3.3 The services that will deliver the strategic objectives set out in the Plan are each developing more detailed Operational Plans. These will

function as management tools to ensure the tasks that deliver the strategic objectives are planned and managed effectively.

4. Implications

(a) Financial Implications

The financial implications of this plan are set out in the budget for the portfolio.

(b) Staffing Implications (if not covered in Consultations Section)

Staff will be allocated personal objectives to ensure the tasks and activities to deliver the objectives are managed. Staff will be supported in the learning and development activities they need to deliver their contribution to the plan.

(c) Equality and Poverty implications

The activities set out in this plan aim to support the Council's equality and diversity objectives. Equality impact assessments will be carried out on decisions and projects related to this plan as appropriate.

(d) Environmental Implications

The actions in the plan that aim to ensure that new affordable housing meets Level 4 of the Code for Sustainable Homes should have a medium positive environmental impact.

(e) Procurement

Some of the actions involved in the Plan will involve procurement by the Council. Separate reports on the procurement elements of actions included in the Plan will be provided at an appropriate time.

(f) Consultation and communication

This is a strategic document covering a number of different objectives. There has therefore been no consultation on this plan per se, although there will be consultation on those elements of it that have a significant impact on residents at the appropriate time, in accordance with the Council's code of practice on consultation and community engagement, and our statutory duties for consulting tenants.

(g) Community Safety

There are no significant community safety issues associated with the strategic actions set out in the Portfolio Plan.
