Additionally, the original area specified was not actually correct and as such the reply given was not therefore accurate.</p> <p><u>18 December 2014.</u></p> <p>No update given – Cllr Price to provide an update at the next NAC committee on 2 February 2014.</p> <p>Can confirm that a safety audit (dated 5 February 2014) for the new junction off Milton Road has been carried out by the County Council's Road Safety Engineering Team. The audit was carried out as part of the County Council's powers under the Highways Regulations of the</p>

			<p>Highways Act (1980).</p> <p>The safety audit raised several design problems with the proposed junction and made several recommendations to mitigate the problems, which the applicant agreed to implement.</p>
<p>14/66/NAC</p> <p>Update on Mitcham's Corner development</p>	<p>Suggested by Committee 28.08.14</p>		<p>Ongoing as related to the City Deal.</p>
<p>14/65/NAC</p> <p>Parking restriction in De Freville area and impact around Milton Rd Library</p>	<p>Cllr Scutt</p>		<p><u>18 December 2014, Cllr Scutt</u></p> <p>Regarding Parking Restrictions steps have been taken to place double yellow on the corners of all the inter sections Milton Road. County Council have appointed an Officer to look at parking in Cambridge and the problems that residents experience to determine safe parking.</p> <p>Would investigate the possibility of four hour parking restrictions in this area as requested by Mr Sergeant at the December meeting.</p> <p><u>3Feb 2015 Update Cllr Scutt</u></p> <p>From County Officers:</p> <p>With regards to Milton Road Library parking, whilst it would not be permissible to restrict a parking space solely for library use, the County can restrict the duration of stay to say one hour to prevent long term parking and introduce some turn-over of vehicles utilising the parking bay.</p> <p>This would involve an amendment to the traffic regulation order (TRO) and the installation of additional signage, so there would be a cost associated with this work which would need to be borne by a third party - that is residents or need to secure funding from alternative sources.</p>

14/69/NAC Implementation of New York traffic schemes methodology.	Councillor Manning suggested that he update on this at a future meeting		Ongoing.
14/73/NAC Parking problems in Buchan Street	Cllr Price to investigate		<p>Reply from the Neighbourhood Community Development Manager (2nd December 2014)</p> <p>There is limited parking in the car park at the moment because of the building site and the contractors parking their vehicles and the fact that we are still open to community groups. So I can appreciate there will be some overspill at the moment .Hoping that this will become less of an issue in the new year when we are 'back to normal ', but it is something that we will keep an eye on".</p> <p>18 Dec 2014, Cllr Price.</p> <p>There is limited parking because of contractors parking their vehicles .But once the works have been completed the Community Development Officer will keep an eye on the situation.</p>

15/4/NAC Q1 Information on how the planning department monitored developments such as Hilltops to ensure that they are let to genuine students.	Councillor Todd-Jones		
15/4/NAC Q2 To investigate with property	Councillor Price		Property Services are in the process of renewing the lease to Tesco and

<p>services: area around Tesco's continues to be untidy. There is a large, uncovered, wire cage style litter bin, and rubbish gets blown about.</p>			<p>as part of this they will be leased an additional area at the rear of the shops where their cages are and will be erecting a simple store with flat roof (subject to landlord's approval of the design and planning approval). Their cages will be installed in the area and this should be tidier and eliminate blown rubbish. The rear access road is just for Tesco and the takeaway for deliveries but not longer term parking. The tenants are responsible to ensure the access is not blocked and control rubbish etc. We will pick up these issues with them.</p>
<p>15/6/NAC Q6 Is there any funding left in the Local Sustainable Transport Fund and if yes could it be used to repair the shared use pavement?</p>	<p>Councillor Manning</p>
