

Appendix B

Draft New Museums Site Development Framework Supplementary Planning Document

Statement of Consultation

Background

The purpose of the draft New Museums Site Supplementary Planning Document (SPD) is to guide the redevelopment of the New Museums Site allocation, which is allocated in the Cambridge Local Plan 2014: Proposed Submission document (as amended¹). This will also assist the council and the University of Cambridge by providing extra detail at the planning application stage.

The draft SPD seeks to provide greater clarity and certainty, particularly in terms of:

- The needs for new and/or improved facilities;
- The clustering of associated University disciplines, in order to achieve academic benefits and administrative operating efficiencies;
- The provision of high quality, sustainable buildings and places;
- The delivery of optimum space efficiency.

Document Production

The draft SPD was approved for consultation at Development Plan Scrutiny Sub-Committee on 16 June 2015.

A Sustainability Appraisal (which included the New Museums Site allocation²) and Habitats Regulations Assessment Screening Report has been carried out and consulted upon for the [Cambridge Local Plan 2014: Proposed Submission](#). This consultation took place between 19 July and 30 September 2013. These documents, along with other supporting documents will also be available to view during this consultation.

A Habitats Regulations Assessment is an assessment to ensure that a plan will not have an adverse effect on the integrity of either Special Areas of Conservation (SAC) or Special Protection Areas (SPA).

As part of the Cambridge Local Plan 2014: Proposed Submission document preparation process, a Habitats Regulations Assessment was undertaken to assess the likely impact the Cambridge Local Plan may have. The assessment concluded that the Cambridge Local Plan is not likely to have any significant effects on the Natura 2000 or Ramsar sites identified.

¹ Through the *Addendum to the Cambridge Local Plan 2014 Proposed Submission Document (July 2013): Schedule of Proposed Changes Following Proposed Submission Consultation (February 2014)*

² Cambridge City Council Part 2, 'Site Options within Cambridge' – Interim Sustainability Appraisal (2013)

For the New Museums Site SPD, a Sustainability Appraisal Screening Report was completed. This document confirmed that the allocation of land at the New Museums Site took place as part of the process of developing the Cambridge Local Plan 2014, and as such has been subject to a Sustainability Appraisal as part of the Local Plan process. The conclusion of this screening process is that as the draft New Museums Site SPD does not make any changes to this allocation, or the policy guidance contained within Policy 43 of the Plan, it will not give rise to significant environmental effects.

The draft New Museums Site SPD does not give rise to significant social and economic effects beyond those already identified as part of the appraisal of the parent policy and site allocation contained within the Cambridge Local Plan 2014. As such it is not considered necessary to undertake a separate SA for this SPD.

The Cambridge Local Plan 2014: Proposed Submission has not yet been adopted and is currently subject to examination by the Secretary of State. Consequently, if changes to the Local Plan 2014: Proposed Submission policies are made as part of the examination, the SPD will also be updated to reflect these changes.
