

Relocation of village sign

New raised table (low profile)

Upgrade crossing to a push-button controlled crossing

Plan Detail 2
Library frontage and carriageway including potential new library extension

Plan Detail 1
Post office frontage and carriageway

Plan Detail 3
Rectory Terrace frontage and carriageway

The County Council proposed elements of the scheme include:
 Removal of the white centreline from the carriageway
 Visibly narrowing the carriageway to 5.2m with the remaining space to be inlaid as red advisory cycle lanes with approximately 1m width on both sides
 Removal of unnecessary pedestrian railings, signs, bollards and roadway islands
 Resurfacing of bus laybys to remove set/block paving and replace with tarmac
 # Improvements to markings at Coldham's Lane to prevent blocking Langdale Close

New village sign and new raised table (low profile)
