Cambridge Community Safety Partnership Plan 2011-2014 – Priorities

1. Executive Summary

Cambridge Community Safety Partnership is currently consulting on new priorities following the production of a detailed public survey and Strategic Assessment of crime, disorder and anti-social behaviour across the City. These priorities will guide the work of the partnership over the coming three-year period from 2011-2014 although the plan will be refreshed annually to ensure it reflects the needs of the community.

2. Recommendations

The Area Committee is asked to consider the priorities listed below and to advise the Cambridge Community Safety Partnership on the **three** priorities that they consider the Partnership should focus their resources on for the next financial year.

3. Background

Cambridge Community Safety Partnership is currently consulting on new priorities following the production of a detailed public survey and Strategic Assessment of crime, disorder and anti-social behaviour across the City. These priorities will guide the work of the partnership over the coming three-year period from 2011-2014, although the plan will be refreshed annually to ensure it reflects the needs of the community. The draft priorities are to:

- Reduce Alcohol Related Violent Crime in the City Centre
- Reduce repeat victims of Domestic Violence
- Reduce cycle theft
- Reducing re-offending
- Reduce repeat incidents of Anti-social Behaviour

The Cambridge Community Safety Partnership is asking the public to help in deciding which THREE priorities, from the list of five above, it should focus its resources on over the next financial year.

Liz Bisset, Director of Community Services, Cambridge City Council, will be present at the meeting to lead the discussion and to explain what it means for the Community Safety Partnership to adopt an issue as a priority. She will also give assurance that non-prioritised issues will continue to feature in the core working of each of the partnership organisations.

Members of the public can also let us know their top three priorities by filling in the postcards available and returning them to a Council representative or, using our reply paid service. Alternatively, they can register their selection on-line at: www.cambridge.gov.uk. The deadline for responses is 23 December 2010
