<b>Committee</b>	<b>North Area Committee</b>
<b>Date</b>	<b>19<sup>th</sup> November 2015</b>
<b>Circulated on</b>	
<b>Updated on</b>	<b>21<sup>st</sup> December 2015</b>

<b>ACTION</b>	<b>LEAD OFFICER/MEMBER</b>	<b>TIMESCALE</b>	<b>PROGRESS</b>
14/26/NAC - Tree roots opposite Co-op Green End Road causing trip hazard	Councillor Manning		<p><b>Update:</b> Additional tree has been added to the list for remedial work but the item is still on-going. Further update: given the cost and the fact that there is now an EIP in that area, and a project I have got added to the Northern Area Corridor Transport Plan pot, it will be done as part of one of these. Officers have confirmed this won't affect either project (in terms of adding extra cost or stopping elements from being done).</p> <p><b>Update 5 Dec 14 Cllr Manning :</b> Initial site visit completed and this matter will be included in a wider feasibility study of the area.</p> <p><b>Update 15 Dec 2014 Cllr Manning:</b> Work has been delayed but the issue is still ongoing.</p> <p><b>Update 20 Jan 2015 Cllr Manning:</b> Feasibility study still being written.</p> <p><b>Update 9<sup>th</sup> April Cllr Manning</b> A residents meeting had been held and a decision on future action is expected to be considered post-election.</p> <p><b>Update 14<sup>th</sup> August Cllr Manning</b> Waiting for designs to be completed by SKANSA.</p>
14/66/NAC  Update on Mitcham's	Suggested by Committee 28.08.14		<p>Ongoing as related to the City Deal.</p> <p><b>10<sup>th</sup> September 2015</b></p>

Corner development			Co-ordinator to address at the next meeting.
<p>14/65/NAC</p> <p>Parking restriction in De Freville area and impact around Milton Rd Library</p>	Cllr Scutt		<p><b><u>18 December 2014, Cllr Scutt</u></b>  Regarding Parking Restrictions steps have been taken to place double yellow on the corners of all the inter sections Milton Road. County Council are appointing an Officer to look at parking in Cambridge and the problems that residents experience to determine safe parking.</p> <p>Would investigate the possibility of four hour parking restrictions in this area as requested by Mr Sergeant at the December meeting.</p> <p><b><u>3Feb 2015 Update Cllr Scutt</u></b>  From County Officers:  With regards to Milton Road Library parking, whilst it would not be permissible to restrict a parking space solely for library use, the County can restrict the duration of stay to say one hour to prevent long term parking and introduce some turn-over of vehicles utilising the parking bay.</p> <p>This would involve an amendment to the traffic regulation order (TRO) and the installation of additional signage, so there would be a cost associated with this work which would need to be borne by a third party - that is residents or need to secure funding from alternative sources.</p> <p><b><u>Update 9<sup>th</sup> April Councillor Scutt</u></b>  Has discussed this with County Council Officers and options under are consideration including Pay and Display bays,</p> <p><b><u>Update 10<sup>th</sup> September Councillor Scutt</u></b>  County transport officers advised that it would not be possible to have dedicated parking bays for the library. Restricting parking to two hours in the area would require a Traffic Regulation Order and would include a wider area.</p>

			<b>Update 19<sup>th</sup> November Councillor Scutt</b> Double yellow line work due to for early next year.
14/74/NAC Progress with Chesterton Sports Pavilion			<b>18 Dec 2014, Cllr Todd Jones.</b> There will be a more detail update on this item from the Urban Growth Project Manager, Tim Wetherfield, when the Committee will look at the third round priority setting. Planning Permission was received on 4 December and work should start on site in March 2015. Further updates to come back to committee when there is more to report. Ian Ross working with Friends of Chesterton Recreation Ground. Hoping to include this in the Capital Programme next year.
15/4/NAC Q2 To investigate with property services: area around Tesco's continues to be untidy. There is a large, uncovered, wire cage style litter bin, and rubbish gets blown about.	Councillor Price		Property Services are in the process of renewing the lease to Tesco and as part of this they will be leased an additional area at the rear of the shops where their cages are and will be erecting a simple store with flat roof (subject to landlord's approval of the design and planning approval). Their cages will be installed in the area and this should be tidier and eliminate blown rubbish. The rear access road is just for Tesco and the takeaway for deliveries but not, longer term parking. The tenants are responsible to ensure the access is not blocked and control rubbish etc. We will pick up these issues with them. <b>16 June 2015</b>  Retrospective planning application on-going.  <b>Update 10<sup>th</sup> September Councillor Price</b> Councillor Price stated that work to improve was underway. He would push to have the double yellow lines in the area reinstated.
