# 1. Introduction

This report provides an overview of City Council Refuse and Environment and Streets and Open Spaces service activity relating to the geographical area served by the North Area Committee. The report identifies the reactive and proactive service actions undertaken in the previous year, including the requested priority targets and reports back on the recommended issues and associated actions to be targeted in the following period. It also includes key officer contacts for the reporting of waste and refuse and public realm issues.

## 2. Target setting and recommendations

All those at Committee have an opportunity to suggest issues that they would like to see tackled in the neighbourhood area during the upcoming period to help shape the activity to be undertaken within the public realm. Following suggestions that are received the relevant teams will consider the suggestions, and will prioritise work, responding reactively where appropriate and programming some work for the future. All suggested targets will be reported back on in the following period to update members and the public on the status of the issue. Recommendations will also be presented to the committee for consideration and to aid discussion.

### Recommendations

The following are suggestions for members on what action could be considered for priority within the North Area for the period of March to May.

#### Continuing priorities\*

Number	Priority details
1	Enforcement joint working and patrols to deal with littering from students of Cambridge Regional College in the areas of Campkin Road and Nuns Way Recreation Ground and to work with the local businesses to address litter from their premises
2	Enforcement patrols to tackle fly tipping on communal archways and green areas at Minerva Way
3	Patrols to address dog fouling on Kings Hedges "Pulley" Recreation Ground, Nuns Way Recreation Ground and Arbury Town Park including early mornings, evenings and weekends
4	Enforcement patrols to tackle littering issues from shops at Carlton Terrace, and Co-op on Chesterton Road and deal with waste management issues

Members are recommended to endorse the above recommendations or to make proposed amendments, and in doing so to consider the community intelligence questions below to help shape the public realm work.

### Community intelligence questions

1. What geographical locations would benefit from targeted work? (including public realm enforcement activity and clean-up work by the community payback)
2. What locations for new and replacement general waste, recycling and dog bins (in line with resources available) should be considered?
3. Where and when the dog warden service should patrol in order to target dog fouling?

---

\* Amendments to continuing priorities are shown in italics

### **3. Routine activity**

Streets and Open Spaces teams work closely with residents, community and campaign groups to keep Cambridge clean, green and safe. Street cleansing works to clear shop fronts and maintain all residential streets to a good standard of cleaning by sweeping them regularly. The team empties litterbins and dog bins across the city parks and open spaces, as well as removing graffiti and clearing needles and fly tipping.

The grounds maintenance team maintains all council housing and highway grass and shrub beds across the city, and carries out the maintenance of the city's cemeteries and crematoriums as well as the maintenance of all parks across the city. The City Rangers team provide a street-level, face-to-face contact point for people to raise any cleanliness and public safety issues that they might have concerning their neighbourhood.

The dog warden patrols within Cambridge to increase people's awareness of the requirement to clear up after their pets, as well as collecting stray dogs within the city and works alongside animal charities to deliver educational roadshows. Investigation of instances of environmental crime in public places across the city is carried out by the public realm enforcement team. As well as undertaking enforcement action where necessary, the team provide advice for residents and businesses on issues including fly tipping, litter, waste, illegal advertising, abandoned shopping trolleys, verge parking and abandoned, untaxed and nuisance vehicles.

### **4. 'Ward Blitz' activity**

The City Council embarked on a campaign of monthly 'ward blitzes' across the City, involving the Council's City Rangers, Rapid Response, Public Realm Enforcement and Street Cleansing teams. These teams will undertake coordinated public realm maintenance, enforcement and educational action, targeting one ward every month in rotation. Working within existing budgets, the action was additional to the routine, day-to-day, work undertaken by these services.

Ward blitz activity will have included a combination of the following actions:

- Deep cleansing of channels
- Cleansing of litter and dog bins
- Cleansing of signage
- Cleansing of recycling centres
- Increased dog warden presence
- Increased public realm enforcement presence
- Joint working with Cambridgeshire Fire and Rescue, and Cambridgeshire Police
- Free dog microchipping event
- Proactive inspections by pest control in known hotspots

The results of the ward blitzes were reported as follows:

Arbury – Environmental Report October to December 2014

East Chesterton – Environmental Report April to June 2015

King Hedges – Environmental Report July to September 2015

West Chesterton - Environmental Report October to December 2015

A review is currently ongoing with regards to the ward blitz and further updates will be provided as the review is completed.

## 5. Specific issues and actions

The following specific issues were identified for targeted action in the previous period. The following tables summarise the action undertaken and current situation, whether ongoing or completed, for each issue.

<b>Priority 1</b>	<b>Enforcement joint working and patrols to deal with littering from students of Cambridge Regional College in the areas of Campkin Road and Nuns Way Recreation Ground and to work with the local business to address litter from their premises</b>
Action Taken	During this period 8.5 hour of foot patrols were carried out around Campkin Road, Lavender Road, Nuns Way Recreation Ground and St Kilda's Avenue. One fixed penalty notice was issued for littering outside the Tesco's Store on Campkin Road. A number of students were provided educational advice and free pocket ashtrays, three individuals were fined for littering the area of which one case is currently ongoing.
Current Situation:	Ongoing
<b>Priority 2</b>	<b>Enforcement patrols to tackle fly tipping on communal archways and green areas at Minerva Way</b>
Action Taken	Eight hours of patrols were conducted by enforcement officers during the period. Four incidences of fly tipping were found in January and three warning letters sent as a result. In February a local resident was formally interviewed by the enforcement officers for fly tipping and this case is currently ongoing. Regular dumping of household waste but often without evidence has been identified in this area; officers will continue to monitor the area.
Current Situation:	Ongoing
<b>Priority 3</b>	<b>Patrols to address dog fouling on Kings Hedges "Pulley" Recreation Ground, Nuns Way Recreation Ground, Arbury Town Park and Chesterton Recreation Ground including early mornings, evenings and weekends.</b>
Action Taken	Twenty seven patrols lasting just over 17 hours were conducted by the dog wardens and enforcement team during the period; during this time one individual was witnessed failing to clear up after their dog on Nuns Way Recreation Ground and was subsequently issued a fixed penalty notice that was later paid. Educational advice was provided to dog walkers and individuals that the dog wardens came across on their patrols.
Current Situation:	Ongoing

<b>Priority 4</b>	<b>Enforcement patrols to tackle fly tipping at Akeman Street and Darwin Drive and areas surrounding East Anglia's Children's Hospice shop forecourt.</b>
Action Taken	During January and February a total of 6.5 hours of foot patrols were carried out by the enforcement team. Only three issues found which included an overfull bin outside the bakery on Akeman Street, fly tipped toys outside the shop area and a fly tip on the corner of Akeman Street and Darwin Drive for which a warning letter issued. During February and into March no issues have been identified. Officers will continue monitoring this area on a weekly or fortnightly basis and take action against any incidents found.
Current Situation:	Completed.
Action Taken	During January the EACH store was provided with a 'No fly tipping sign' in an attempt to deter fly tipping incidents and a working relationship developed. The area is visible when walking along Histon Road or Windsor Road and officers have continued to patrol the area and have not had any reports of any issues. Officers will continue monitoring this area on a weekly or fortnightly basis and take action against any incidents found.
Current Situation:	Completed
<b>Priority 5</b>	<b>Enforcement patrols to tackle littering issues from shops at Carlton Terrace, and Co-op on Chesterton Road and deal with waste management issues.</b>
Action Taken	During January and February patrols at Carlton Terrace were undertaken and the area was regularly monitored. No problem was found on the terrace itself and have confirmed that the main issue is litter in the yard. Ongoing monitoring of this site and joint working with the store will be actioned during March to May.
Current Situation:	Ongoing
	During January and February patrols at Co-op Chesterton Road were undertaken and the area was regularly monitored. No problem was found on the terrace itself and has confirmed that the main issue is litter in the yard. Ongoing monitoring of this site and joint working with the store will be actioned during March to May.
Current Situation:	Ongoing

**Other issues:**

<b>Issue</b>	<b>Litter bin on Millennium Bridge</b>
Action Taken	Suitability of location being looked into, to ensure that there is no impediment to pedestrian or cycling access and that the bin can be serviced.
Current Situation:	Ongoing

Issue	Dog fouling / dog control issues at Chesterton Recreation Ground
Action Taken	<p>Officers attended the Friends of Chesterton Recreation Ground meeting and agreed the following actions would be actioned:</p> <ul style="list-style-type: none"> <li>• Dog signage <ul style="list-style-type: none"> <li>○ Elizabeth Way entrance - replace current sign with larger sign – Completed</li> <li>○ Install posts near existing furniture for new large dog fouling signs - Completed</li> </ul> </li> <li>• Dog bins <ul style="list-style-type: none"> <li>○ Signage to be added to bins – Completed</li> <li>○ Consider relocating one of the dog bin nearer to footpath – area being monitored for suitability</li> </ul> </li> <li>• Letter drop to surrounding properties regarding dog fouling offence and how to report offenders</li> </ul>
Current Situation:	Ongoing
