ACTION	LEAD OFFICER/MEMBER	TIMESCALE	PROGRESS
14/26/NAC - Tree roots opposite Co-op Green End Road causing trip hazard	Councillor Manning		Update: Additional tree has been added to the list for remedial work but the item is still on-going. Further update: given the cost and the fact that there is now an EIP in that area, and a project I have got added to the Northern Area Corridor Transport Plan pot, it will be done as part of one of these. Officers have confirmed this won't affect either project (in terms of adding extra cost or stopping elements from being done). Update 5 Dec 14 Cllr Manning : Initial site visit completed and this matter will be included in a wider feasibility study of the area. Update 15 Dec 2014 Cllr Manning: Work has been delayed but the issue is still ongoing. Update 20 Jan 2015 Cllr Manning: Feasibility study still being written. Update 9th April Cllr Manning A residents meeting had been held and a decision on future action is expected to be considered post-election. Update 14th August Cllr Manning Waiting for designs to be completed by SKANSA. Update 20th January Cllr Manning This matter is being address with other issues in the area. The action to be retained for further update

14/65/NAC Parking restriction in De Freville area and impact around Milton Rd Library	Cllr Scutt		<u>18 December 2014, Cllr Scutt</u> Regarding Parking Restrictions steps have been taken to place double yellow on the corners of all the inter sections Milton Road. County Council are appointing an Officer to look at parking in Cambridge and the problems that residents experience to determine safe parking. Would investigate the possibility of four hour parking restrictions in this area as requested by Mr Sergeant at the December meeting. <u>3Feb 2015 Update Cllr Scutt</u> From County Officers: With regards to Milton Road Library parking, whilst it would not be permissible to restrict a parking space solely for library use, the County can restrict the duration of stay to say one hour to prevent long term parking and introduce some turn-over of vehicles utilising the parking bay. This would involve an amendment to the traffic regulation order (TRO) and the installation of additional signage, so there would be a cost associated with this work which would need to be borne by a third party - that is residents or need to secure funding from alternative sources. <u>Update 9th April Councillor Scutt</u> Has discussed this with County Council Officers and options under are consideration including Pay and Display bays, <u>Update 10th September Councillor Scutt</u> County transport officers advised that it would not be possible to have dedicated parking bays for the library. Restricting parking to two hours in the area would require a Traffic Regulation Order and would include a wider area. <u>Update 19th November Councillor Scutt</u> Double yellow line work due to for early next year.

14/74/NAC Progress with Chesterton Sports Pavilion			18 Dec 2014, Cllr Todd Jones. There will be a more detail update on this item from the Urban Growth Project Manager, Tim Wetherfield, when the Committee will look at the third round priority setting. Planning Permission was received on 4 December and work should start on site in March 2015. Further updates to come back to committee when there is more to report. Ian Ross working with Friends of Chesterton Recreation Ground. Hoping to include this in the Capital Programme next year.
15/4/NAC Q2 To investigate with property services: area around Tesco's continues to be untidy. There is a large, uncovered, wire cage style litter bin, and rubbish gets blown about.	Councillor Price		Property Services are in the process of renewing the lease to Tesco and as part of this they will be leased an additional area at the rear of the shops where their cages are and will be erecting a simple store with flat roof (subject to landlord's approval of the design and planning approval). Their cages will be installed in the area and this should be tidier and eliminate blown rubbish. The rear access road is just for Tesco and the takeaway for deliveries but not, longer term parking. The tenants are responsible to ensure the access is not blocked and control rubbish etc. We will pick up these issues with them. 16 June 2015 Retrospective planning application on-going. Update 10th September Councillor Price Councillor Price stated that work to improve was underway. He would push to have the double yellow lines in the area reinstated.
15/17/NAC Sharing 'Open Data' to assist with the setting of Area Committee Police Priorities	Councillor Manning and Councillor Todd-Jones		Councillor Manning has agreed to take this forward and will be arranging a follow up meeting.
15/25/NAC Q3	Councillor Price to pass		County officers are investigating and details will follow.

Campkin Road Speed cushions need attention	this concern on the Councillor Onasanya		Update 24/02/16 Councillor Onasanya On 26 January 2016, the Local Highways Officer, Graham Armstrong advised that following discussion with Evan Laughlin and the contractors, they have come to the conclusion it would not be cost effective to attempt repairs, instead they have proposed that the hump is replaced with a standard tarmac hump in the new financial year.
15/ 46/NAC Q5 Parking issues around the shopping area of Mitcham's Corner	Councillor Scutt said she would raise the issue with the parking department and would request more officer time to be spent on this matter.		
15/ 46/NAC Q7 The footpath running from Harvey Godwin Avenue to French's Road is dark and dangerous due to overhanging trees.	Councillor Todd-Jones undertook to look into this matter.		Councillor Todd-Jones has looked into this matter. Work was on-going with the private land owner to rectify the matter.
