1. Introduction

This report provides an overview of City Council Refuse and Environment and Streets and Open Spaces service activity relating to the geographical area served by the East Area Committee. The report identifies the reactive and proactive service actions undertaken in the previous, including the requested priority targets and reports back on the recommended issues and associated actions to be targeted in the following period. It also includes key officer contacts for the reporting of waste and refuse and public realm issues.

2. Target setting and recommendations

All those at Committee have an opportunity to suggest issues that they would like to see tackled in the neighbourhood area during the upcoming period to help shape the activity to be undertaken within the public realm. Following suggestions that are received the relevant teams will consider the suggestions, and will prioritise work, responding reactively where appropriate and programming some work for the future. All suggested targets will be reported back on in the following period to update members and the public on the status of the issue. Recommendations will also be presented to the committee for consideration and to aid discussion.

Recommendations

The following are suggestions for members on what action could be considered for priority within the East Area for the period of March to May.

Continuing priorities*

Number	Priority details
1	Enforcement patrols to tackle fly tipping at Riverside, Ashbury Close <i>Ditton Fields</i> and St Matthews Street area
2	Early morning , daytime and weekend patrols for dog fouling at the following locations: <ul style="list-style-type: none">• St Thomas's Square and Road• Ravensworth Gardens play areas• Thorpe Way play area• <i>St Bedes Crescent</i>• <i>Coleridge Recreation Ground</i>
3	Enforcement investigation and action to deal with littering problems Newmarket Road from Tesco and around the areas of Wickes and Staples
4	Enforcement patrols to undertake enforcement action against abandoned, untaxed and nuisance vehicles in the East area.

New suggested priorities

Number	Priority details
5	Illegal camping, barbecue and green space patrols at Stourbridge Common

Members are recommended to endorse the above recommendations or to make proposed amendments, and in doing so to consider the community intelligence questions below to help shape the public realm work.

* Amendments to continuing priorities are shown in italics

Community intelligence questions

1. What geographical locations would benefit from targeted work? (including public realm enforcement activity and clean-up work by the community payback)
2. What locations for new and replacement general waste, recycling and dog bins (in line with resources available) should be considered?
3. Where and when the dog warden service should patrol in order to target dog fouling?

3. Routine activity

Streets and Open Spaces teams work closely with residents, community and campaign groups to keep Cambridge clean, green and safe. Street cleansing works to clear shop fronts and maintain all residential streets to a good standard of cleaning by sweeping them regularly. The team empties litterbins and dog bins across the city parks and open spaces, as well as removing graffiti and clearing needles and fly tipping.

The grounds maintenance team maintains all council housing and highway grass and shrub beds across the city, and carries out the maintenance of the city's cemeteries and crematoriums as well as the maintenance of all parks across the city. The City Rangers team provide a street-level, face-to-face contact point for people to raise any cleanliness and public safety issues that they might have concerning their neighbourhood.

The dog warden patrols within Cambridge to increase people's awareness of the requirement to clear up after their pets, as well as collecting stray dogs within the city and works alongside animal charities to deliver educational roadshows. Investigation of instances of environmental crime in public places across the city is carried out by the public realm enforcement team. As well as undertaking enforcement action where necessary, the team provide advice for residents and businesses on issues including fly tipping, litter, waste, illegal advertising, abandoned shopping trolleys, verge parking and abandoned, untaxed and nuisance vehicles.

4. 'Ward Blitz' activity

The City Council embarked on a campaign of monthly 'ward blitzes' across the City, involving the Council's City Rangers, Rapid Response, Public Realm Enforcement and Street Cleansing teams. The teams undertook coordinated public realm maintenance, enforcement and educational action, targeting one ward every month in rotation. Working within existing budgets, this action was additional to the routine, day-to-day, work undertaken by these services.

Ward blitz activity will have included a combination of the following actions:

- Deep cleansing of channels
- Cleansing of litter and dog bins
- Cleansing of signage
- Cleansing of recycling centres
- Increased dog warden presence
- Increased public realm enforcement presence
- Joint working with Cambridgeshire Fire and Rescue, and Cambridgeshire Police
- Free dog microchipping event
- Proactive inspections by pest control in known hotspots

The results of the ward blitzes are reported as follows:

Abbey – Environmental Report January to March 2015
Coleridge – Environmental Report April to June 2015
Petersfield – Environmental Report July to September 2015
Romsey – Environmental Report October to December 2015

5. Specific issues and actions

The following specific issues were identified for targeted action in the previous period. The following tables summarise the action undertaken and current situation, whether ongoing or completed, for each issue.

Priority 1	Enforcement patrols to tackle fly tipping at Ekin Road, Riverside and St Matthews Street area
Action Taken	Between January and March a total of three hours' worth of patrols has been conducted in the area of Ekin Road. No incidents of fly tipping were discovered. Officers recommend this is removed as a priority, the area will continue to be patrolled and monitored for any environmental crime offences.
Current Situation:	Completed
Action Taken	Between January and March a total of twelve hours of patrols and enforcement work has been conducted in the Riverside area. Riverside has a number of areas requiring regular monitoring including residential and illegal moorings on the river Cam and the public recycling centre at Tesco's Newmarket road. High visibility patrols have allowed the enforcement team to engage with members of the public including visitors and residents of Cambridge. This has proven to be particularly effective during busy periods over the weekend. Where the team has been able to offer words of advice, environmental information and provide a visible deterrent to environmental crime particularly incidents of littering. Incidents dealt with during the period of January to March included two incidents of fly tipping investigated by the team.
Current Situation:	Ongoing
Action Taken	During the period between January and February the enforcement team spent a total of ten hours patrolling the area of Staffordshire Street and the St Matthews Estate. Three incidents of fly tipping were investigated over this period. Other incidents dealt with include the following. One abandoned shopping trolley, two nuisance vehicles, and the issuing of a fixed penalty for littering. An offence of cross contaminating City Council supplied bins and an incident of side waste was also investigated. The area of Staffordshire Street and the St Matthews Estate had a number of environmental offences requiring investigation over this period. The area as a whole includes green spaces, play areas, community shops and schools. Footfall is heavy during peak periods especially the areas surrounding St Matthews Piece, Norfolk Street and New Street. Incidents might potentially increase heading into spring with increased visitors and footfall. Continued monitoring and foot patrols are required to deal with a variety of offences that occur in this area.
Current Situation:	Ongoing

Priority 2	<p>Early morning, daytime and weekend patrols for dog fouling at the following locations:</p> <ul style="list-style-type: none"> • Romsey Recreation Ground • St Thomas's Square and Road • Ravensworth Gardens play areas • Coldhams Common • Thorpe Way play area
Action Taken	<p>Dog warden patrols have been conducted by both the Dog Warden Service and Enforcement team to address the issues of dog fouling totalling over 33 hours. Educational advice and dog bags continue to be provided to a number of dog walkers at these locations. Recent patrols have identified that there have been major improvements at Romsey Recreation Ground and Coldhams Common and these two areas have been removed as priorities for the upcoming period.</p>
Current Situation:	Ongoing

Priority 3	<p>Enforcement patrols to tackle fly tipping in and around the Ashbury Close area</p>
Action Taken	<p>The team continue to provide hi-visibility proactive and reassurance patrols at the location, to address and identify any issue of environmental crime. This location specifically suffers from regular fly tipping issues, as well as abandoned vehicles. During some of these patrols fly tips have been observed and dealt with accordingly, however no evidence found at scene. Door to Door enquiries have been made by the enforcement officers to ascertain relevant intelligence regarding these offences, to identify any offenders that may be responsible. These patrols will continue.</p>
Current Situation:	Ongoing

Priority 4	<p>Enforcement investigation and action to deal with littering problems on Brooks Road from Sainsbury's, and Newmarket Road from Tesco and around the areas of Wickes and Staples</p>
Action Taken	<p>Monitoring of the area surrounding the Sainsbury's petrol station, initial patrols identified a major issue with blue gloves (used by drivers filling their vehicles with diesel) littering the public highway and the local water course. Officers litter picked the area and removed 271 blue gloves. Contact was made with the store manager and a recommendation was made regarding erecting a wire mesh infill to the fence surrounding the petrol station forecourt.</p> <p>Sainsbury's have completed the alterations to the fence, this now keeps the gloves from blowing on to the public highway, the last two site inspections have resulted in counts of 2 gloves and 5 gloves respectively, the weekly monitoring will now be changed to 3 monthly in view of the reduction in blue gloves escaping from the petrol station forecourt, Sainsbury have also increased the area and amount of time spent litter picking.</p>
Current Situation:	Completed

Action Taken	<p>Five patrols have been conducted at Tesco between February and March totalling three hours. The enforcement team monitor the site with specific monitoring forms.</p> <p>One incident of fly tipping is being investigated and one recorded incident of copious amounts of litter and full bins in the area of the war memorial.</p> <p>The enforcement team continue to monitor the site and work with the store to resolve issues especially those relating to the green areas surrounding the war memorial on Newmarket Road.</p> <p>Community Payback has been asked to clear the area surrounding the war memorial and the store is due to assist in litter picking the area and improve emptying the four bins at the memorial. The team will continue to monitor this for improvements by the store in order to avoid further sanctions.</p>
Current Situation:	Ongoing
Action Taken	<p>Four patrols conducted in the area between February and March totalling two hours. Three of the patrols have identified issues with trade waste and business related litter building up in the far area of the car park.</p> <p>The enforcement team are continuing to monitor the site and work with both Staples and Wicks in order to resolve issues.</p>
Current Situation:	Ongoing

Priority 5	Enforcement patrols to undertake enforcement action against abandoned, untaxed and nuisance vehicles in the East area.
Action Taken	<p>A total of twenty one dedicated abandoned vehicle patrols have been conducted between February and March. The total hours conducted patrolling by the enforcement team is thirty eight hours. Three vehicles have been removed from the area by the enforcement team over this period.</p> <p>Officers continue to monitor the area during the week and at weekends.</p>
Current Situation:	Ongoing
	<p>The problem of untaxed vehicles continues across the area. This includes vehicles kept on the road but declared SORN. Patrols have been conducted at numerous locations within the ward. These patrols consisted of proactive patrols as well as reactive, acting on intelligence received. Vehicle checks made on suspect vehicles at the location with details recorded, and dealt with accordingly. Two vehicles were lifted by the enforcement team for this area.</p> <p>Officers continue to monitor the area during the week and at weekends</p>
Current Situation:	Ongoing
Action Taken	<p>Patrols have been conducted at numerous locations within the ward, with nine patrols having been undertaken lasting a total of seven hours. Vehicle checks made on suspect vehicles at the location with details recorded, Officers continue to monitor the area during the week and at weekends.</p>
Current Situation:	Ongoing

⁴ Nuisance vehicles includes vehicles displayed for sale or being repaired (other than in an emergency) on the public highway

Summary of public realm enforcement data

- Of the 50 abandoned vehicles the majority were removed by their owners or claimed within the 7 day notice period. One abandoned vehicle was seized from Rustat Road and for which a fixed penalty notice has been issued, the case is currently ongoing. Six further untaxed vehicles were removed from the area including Silverwood Close, Argyle Street, Clifton Road and Ditton Fields. The majority of vehicles identified in this period are as part of the proactive work carried out by the enforcement team.
- Four nuisance vehicles were found across the East Area. One vehicle was found for sale on Coldhams Lane, Corrie Road, Brooks Road and three on Barnwell Road, all vehicles were removed from sale within a 7 day period.
- Thirty eight cycles were removed from across all four wards. The number of cycles removed as abandoned in the East area usually varies between 15 to 25 a quarter.
- There were sixty two domestic waste investigations conducted in the East area, the majority of which was waste littered and fly tipped at recycling centres across the area. Of the investigations conducted there were four verbal warnings, fifteen warning letters, five fixed penalties for littering waste one set of legal proceedings is being produced for a large scale fly tipper, and in 18 cases it was not possible to identify a responsible suspect or there was insufficient evidence to proceed. There were ten bins on street cases investigated; in the majority of cases the issue was resolved without the need for enforcement action (the figure for the previous year was 97 cases for bins on streets). There are currently nine ongoing cases awaiting further action.
- Eleven cases of trade waste were investigated in the East area, including cases of waste being dumped or bins not being managed. Educational advice was provided to three businesses, four warning letters were sent and one statutory notice was issued to a business failing to control their waste.
- There were nineteen cases of litter investigated in the East area; fourteen fixed penalties were issued for littering including five from a motor vehicle on East Road, Cherry Hinton Road, and Coldhams Lane. Nine fixed penalties for littering on foot were issued the majority of which were East Road, Mill Road and Glisson Road.
- There were six cases of illegal camping, one at Mill Road Cemetery, three at Stourbridge Common and one each at Ravensworth Gardens and Howard Road area. Statutory notices were served on the sites and subsequently the council impounded four tents that were not remove within the allotted time period.
- Twenty one incidents of illegal advertising were identified, twelve of which were posters and the majority received written warnings. There was also three estate agent boards identified which were removed by the agents, and verbal advice was given regarding an illegally placed banner.

Summary of operations cleansing data:

- Of the 63 reports for fly tip in the Abbey ward, just under a quarter of them were from Ditton Fields. Repeat incidents were also found at Peverel Road, Jack Warren Green and Ann's Road. The other fly tip reports for Abbey area were reported from different locations.
- In Coleridge over a quarter of the fly tips were found at Ashbury Road the majority of which were identified whilst enforcement officers were on patrols in the area. There were also repeat incidents at Davy Road, Lichfield Road and Trevone Place, the rest of the incidents were single locations and there were no patterns identified.
- The majority of fly tips in Petersfield were household waste and were single locations and there were no patterns identified.
- Thirty seven fly tips were removed from Romsey including five incidents on Ross Street and three on Hobart Road. No other patterns of fly tipping were identified.
- The one offensive graffiti instance in Petersfield ward during December was of a drawing of human anatomy on Donkey's Common, the volume of instances of Offensive Graffiti reduced in the East area from 3 in December 2014 to February 2015 to 1 in December 2015 to February 2016.
- The instances of detrimental graffiti in Petersfield ward were tagging; and included repeat incidents on Mill Road, Hooper Street, Gwydir Street, Glisson Road and Norfolk Street.
- The volume of needles removed in this time period has reduced in comparison to the same time period the previous year. The three needles in Petersfield ward were from three occasions, and were removed from Mill Road, Mill Street and St Matthews Street garages. In Romsey needles were removed from Hemingford Road, Vinery Road and Vinery Road Recreation Ground.
- The number of trolleys impounded by Streets and Open Spaces was 46.

9. Resources

The following are suggestions that members of the East Area Committee and residents and businesses may wish to consider or request for the upcoming period:

Recycling and general street litter bins

A small quantity of recycling and general street litter bins are available for each ward, as follows:

Ward	Bins used	Bins available for installation
Abbey	12	0
Coleridge	8	3
Petersfield	10	0
Romsey	13	0

We would like to receive suggestions for where bins should be installed on the street and will investigate the suitability of all suggested locations. We will also be undertaking a review of where bins are currently installed to see how they are used.

Dog bin provision

A number of dog bins are available for each ward, as follows:

Ward	Bins used	Bins available for installation
Abbey	4	0
Coleridge	3	1
Petersfield	1	2
Romsey	0	4

We would like to receive suggestions for where bins should be installed on the parks and open spaces and will investigate the suitability of all suggested locations. We will also be undertaking a review of where bins are currently installed to see how they are used.

Installed bin sites:

Ward	Location	Installation Date	Comments
Abbey	Barnwell Road (entrance to Coldhams Common)	December 2014	
Abbey	Egerton Close (junction with Egerton Road)	March 2015	
Abbey	Fison Road / Thorpe Way	January 2015	
Abbey	Leonard Close	June 2015	
Coleridge	St Thomas's Square	December 2014	
Coleridge	Coleridge Recreation Ground (top corner)	August 2015	
Coleridge	Golding Road (Radegund Road junction)	March 2016	
Petersfield	Ravenworth Gardens (on green at entrance from Devonshire Road)	December 2014	

Pocket ashtray distribution

Locations of where pocket ashtrays should be distributed from are welcomed by the Public Realm Enforcement team.

Dog fouling signs

Small quantities of 'no dog fouling' signs are available for each ward, as follows:

Ward	Signs used	Signs available for installation
